

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Borsand
DOCKET NO.: 21-03953.001-R-1
PARCEL NO.: 15-25-410-020

The parties of record before the Property Tax Appeal Board are Steven Borsand, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$78,000
IMPR.: \$335,484
TOTAL: \$413,484

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of Dryvit and brick exterior construction with 6,006 square feet of living area. The dwelling was constructed in 2007. Features of the home include an unfinished basement, central air conditioning, three fireplaces, and a garage containing 1,066 square feet of building area. The property has a 42,689 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.55 miles of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 5,336 to 5,527 square feet of living area. The homes were built from 2007 to 2011. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in

size from 836 to 1,089 square feet of building area. The parcels range in size from 22,651 to 72,662 square feet of land area. The comparables sold from March 2020 to May 2021 for prices ranging from \$1,020,000 to \$1,350,000 or from \$184.55 to \$253.00 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$380,342, for an estimated market value of \$1,141,140 or \$190.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$413,484. The subject's assessment reflects a market value of \$1,243,561 or \$207.05 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.36 miles of the subject and within the subject's assessment neighborhood. Comparables #2 and #3 are the same properties as appellant comparables #3 and #2, respectively. The comparables consist of two-story dwellings of brick Dryvit, or stone exterior construction ranging in size from 5,336 to 7,116 square feet of living area. The dwellings were built from 1997 to 2011. Each dwelling has central air conditioning, one to three fireplaces, a basement with finished area, and a garage ranging in size from 830 to 1,053 square feet of building area. Comparable #4 has an inground swimming pool. The parcels range in size from 22,650 to 72,660 square feet of land area. The comparables sold from July 2020 to August 2021 for prices ranging from \$1,080,000 to \$1,350,000 or from \$174.09 to \$253.00 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the appellant's comparables #1 and #2/board of review comparable #3 due to their location more than one mile from the subject. The Board also gives reduced weight to board of review comparables #1 and #4 due to differences from the subject in age and/or inground pool amenity.

The Board finds the best evidence of market value to be appellant's comparable sale #3/board of review comparable sale #2 and board of review comparable #5, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold for prices of \$1,100,000 and \$1,350,000 or for \$200.66 and \$253.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,243,561 or \$207.05 per

square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
