

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kamlesh Surani
DOCKET NO.: 21-04011.001-R-1
PARCEL NO.: 11-29-311-010

The parties of record before the Property Tax Appeal Board are Kamlesh Surani, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,939
IMPR.: \$147,544
TOTAL: \$197,483

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of brick and frame construction containing 3,385 square feet of living area. The dwelling was built in 1998. Features of the home include an unfinished basement, central air conditioning, one fireplace and an attached garage with 612 square feet of building area. The property has an 11,076 square foot site located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales improved with two-story dwellings of frame or combination of frame and brick construction that range in size from 2,902 to 3,238 square feet of living area. The homes were built from 1998 to 2000. Each comparable has an unfinished basement, central air conditioning and an attached garage ranging in size from 604 to 786 square feet of building area. Three comparables have one fireplace. These properties have

sites ranging in size from 9,758 to 14,391 square feet of land area. The comparables are located within the same neighborhood as the subject and from .09 to .21 of a mile from the subject property. The sales occurred from January 2020 to May 2021 for prices ranging from \$421,000 to \$570,000 or from \$140.99 to \$180.91 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$191,797.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,483. The subject's assessment reflects a market value of \$593,934 or \$175.46 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales improved with two-story dwellings of brick or brick and wood siding exterior construction that range in size from 2,896 to 3,636 square feet of living area.¹ The homes were built from 1997 to 2000. Each comparable has an unfinished basement, central air conditioning, one fireplace, and an attached garage ranging in size from 612 to 688 square feet of building area. These properties have sites ranging in size from 10,640 to 15,650 square feet of land area. The comparables are located in the same neighborhood as the subject and from .06 to .18 of a mile from the subject property. The sales occurred from June 2021 to November 2021 for prices ranging from \$625,000 to \$675,000 or from \$185.64 to \$230.49 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on nine comparable sales to support their respective positions. The Board gives less weight to appellant's comparables #1, #2 and #4 as well as board of review comparable #1 due to differences from the subject dwelling in size. The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales #2 through #5. These properties have dwellings ranging in size from 3,234 to 3,636 square feet of living area with features similar to the subject property. These most similar comparables sold for prices ranging from \$570,000 to \$675,000 or from \$176.03 to \$204.08 per square foot of living area, including land. The subject's assessment reflects a market value of \$593,934 or \$175.46 per square foot of living area, including land, which is within the overall price range but slightly below the range on a per square foot of living area basis as established by the best

¹ The board of review grid analysis indicated that comparable #1 has a story height of 1, however, the comparable is further described as having a ground floor living area of 1,786 square feet and an above ground living area of 2,896 square feet indicating the home is a two-story dwelling.

comparable sales in this record. Based on this evidence the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
