

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Randall Wahler
DOCKET NO.: 21-04012.001-R-1
PARCEL NO.: 11-29-201-014

The parties of record before the Property Tax Appeal Board are Randall Wahler, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,632
IMPR.: \$92,688
TOTAL: \$150,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,144 square feet of living area. The dwelling was constructed in 1973. Features of the home include a basement, central air conditioning, a fireplace, a 431 square foot garage and a 512 square foot inground swimming pool. The property has an approximately 12,341 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .42 of a mile from the subject property. The comparables have sites that range in size from 9,656 to 13,996 square feet of land area and are improved with two-story dwellings of frame exterior construction ranging in size from 1,971 to 2,264 square feet of living area. The dwellings were built from 1972 to 1975 with

comparables #1 and #5 having reported effective ages of 1980 and 1990, respectively. The comparables each have a basement, central air conditioning, a fireplace and a garage ranging in size from 420 to 482 square feet of building area. The comparables sold from April 2020 to April 2021 for prices ranging from \$340,000 to \$415,000 or from \$167.49 to \$183.38 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$128,627, which would reflect a market value of \$385,920 or \$180.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,320. The subject's assessment reflects a market value of \$452,090 or \$210.86 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .48 of a mile from the subject property. The comparables have sites that range in size from 11,150 to 12,660 square feet of land area and are improved with two-story dwellings of wood siding exterior construction ranging in size from 1,948 to 2,450 square feet of living area. The dwellings were built from 1972 to 1976 with comparable #2 having a reported effective age of 1983. The comparables each have a basement, central air conditioning, a fireplace and a garage containing either 431 or 441 square feet of building area. The comparables sold from August 2020 to December 2021 for prices ranging from \$460,000 to \$571,000 or from \$190.50 to \$246.41 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board has given less weight to board of review comparables #2 and #4 due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the parties' eight remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. However, none of these comparables have an inground swimming pool, like the subject, suggesting upward adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, the comparables sold from April 2020 to December 2021 for prices ranging from \$340,000 to \$492,500 or from \$167.49 to \$246.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$452,090 or

\$210.86 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
