

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hugo Ramon
DOCKET NO.: 21-04021.001-R-1
PARCEL NO.: 11-32-104-093

The parties of record before the Property Tax Appeal Board are Hugo Ramon, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,262
IMPR.: \$136,039
TOTAL: \$188,301

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 3,376 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement, central air conditioning, a fireplace and a 649 square foot garage. The property has an approximately 10,592 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that have the same assessment neighborhood code as the subject and are located within .30 of a mile from the subject property. The comparables have sites that range in size from 10,370 to 13,339 square feet of land area and are improved with two-story dwellings of brick and frame exterior construction ranging in size from 3,214 to 3,666 square feet of living area. The dwellings were built in 1998 or 1999. The

comparables each have a basement, one of which is a walk-out. Each comparable has central air conditioning, one or two fireplaces and a garage containing either 440 or 649 square feet of building area. The comparables sold from May 2020 to March 2021 for prices ranging from \$495,000 to \$630,000 or from \$154.01 to \$174.52 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$184,536, which would reflect a market value of \$553,663 or \$164.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,301. The subject's assessment reflects a market value of \$566,319 or \$167.75 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .26 of a mile from the subject property. The comparables have sites that range in size from 10,010 to 12,630 square feet of land area and are improved with two-story dwellings of brick exterior construction ranging in size from 2,996 to 3,466 square feet of living area. The dwellings were built in 1998 or 1999. The comparables each have a basement and a garage ranging in size from 440 to 649 square feet of building area. Four comparables have central air conditioning and four comparables each have a fireplace. The comparables sold from June 2020 to December 2021 for prices ranging from \$600,000 to \$670,000 or from \$173.11 to \$202.78 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board finds all the comparables are similar to the subject in location, dwelling size, design, age and some features. However, one comparable has a walk-out basement, two comparables each have an additional fireplace, one comparable lacks central air conditioning and one comparable lacks a fireplace, when compared to the subject, suggesting adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, the comparables sold from May 2020 to December 2021 for prices ranging from \$495,000 to \$670,000 or from \$154.01 to \$202.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$566,319 or \$167.75 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
