

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Vaccaro  
DOCKET NO.: 21-04024.001-R-1  
PARCEL NO.: 11-32-407-007

The parties of record before the Property Tax Appeal Board are Jason Vaccaro, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$22,537  
**IMPR.:** \$47,219  
**TOTAL:** \$69,756

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,172 square feet of living area. The dwelling was constructed in 1978. Features of the home include a basement, central air conditioning and a 480 square foot garage. The property is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .28 of a mile from the subject property. The comparables are improved with two-story dwellings of frame exterior construction, each containing 1,172 square feet of living area. The dwellings were built in 1976 or 1978. Each comparable has a basement, central air conditioning and a 240 square foot garage. Two comparables each have a fireplace. The comparables sold from March to November 2020 for

prices ranging from \$198,500 to \$230,000 or from \$169.37 to \$196.25 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$68,360, which would reflect a market value of \$205,101 or \$175.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,756. The subject's assessment reflects a market value of \$209,792 or \$179.00 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .30 of a mile from the subject property. The board of review's comparable #1 is the same property as the appellant's comparable #3. The comparables are improved with two-story dwellings of wood siding exterior construction, each containing 1,172 square feet of living area. The dwellings were from 1977 to 1979. Each comparable has a basement, central air conditioning and a garage containing either 240 or 480 square feet of building area. Comparable #1 has a fireplace. The comparables sold from November 2020 to December 2021 for prices ranging from \$210,000 to \$250,000 or from \$179.18 to \$213.31 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration, as one sale was common to both parties. The Board finds all the comparables are identical to the subject in dwelling size and design, and similar to the subject in location, age and some features. However, six of the seven comparables have smaller garage sizes and two comparables each have a fireplace, when compared to the subject, suggesting adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, the comparables sold from March 2020 to December 2021 for prices ranging from \$198,500 to \$250,000 or from \$169.37 to \$213.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$209,792 or \$179.00 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
