

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Baker
DOCKET NO.: 21-04035.001-R-1
PARCEL NO.: 12-17-401-024

The parties of record before the Property Tax Appeal Board are John Baker, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$104,429
IMPR.: \$182,247
TOTAL: \$286,676

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,949 square feet of living area. The dwelling was constructed in 1984 and has an effective age of 1989. Features of the home include a basement with finished area, central air conditioning, two fireplaces and an 861 square foot garage. The property has an approximately 31,290 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that have the same assessment neighborhood code as the subject and are located within .36 of a mile from the subject property. The comparables have sites that range in size from 21,532 to 30,209 square feet of land area and are improved with two-story dwellings ranging in size from 3,726 to 4,546 square feet of living area. The dwellings were built in 1984 or 1987. The comparables each have a basement, central

air conditioning, a fireplace and a garage ranging in size from 552 to 744 square feet of building area. The comparables sold in March 2020 and March 2021 for prices ranging from \$610,000 to \$940,000 or from \$134.18 to \$221.76 per square foot of living area, including land.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$265,873, which would reflect a market value of \$797,699 or \$202.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$286,676. The subject's assessment reflects a market value of \$862,183 or \$218.33 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .45 of a mile from the subject property. The comparables have sites that range in size from 17,610 to 28,010 square feet of land area and are improved with two-story dwellings of brick, wood siding or wood siding and brick exterior construction ranging in size from 3,370 to 4,242 square feet of living area. The dwellings were built in 1984 or 1986. The comparables each have a basement, three of which have finished area. Each comparable has central air conditioning, two fireplaces and a garage ranging in size from 484 to 704 square feet of building area. The comparables sold from October 2020 to June 2021 for prices ranging from \$872,500 to \$950,000 or from \$221.76 to \$259.64 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #3, as well as board of review comparable #5 due to differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are overall more similar to the subject in location, dwelling size, design, age and some features. However, four of the six comparables lack finished basement area, a feature of the subject, suggesting upward adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, the comparables sold from March 2020 to June 2021 for prices ranging from \$630,000 to \$950,000 or from \$169.08 to \$245.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$862,183 or \$218.33

per square foot of living area, including land, which falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
