

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Young Su Jang
DOCKET NO.: 21-04043.001-R-1
PARCEL NO.: 15-29-407-001

The parties of record before the Property Tax Appeal Board are Young Su Jang, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,365
IMPR.: \$90,125
TOTAL: \$118,490

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,136 square feet of living area. The dwelling was constructed in 1970 and is approximately 51 years old. Features of the home include a crawl space foundation, central air conditioning, one fireplace, and a 440 square foot garage. The property has a 9,898 square foot site and is located in Buffalo Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .62 of a mile from the subject property. The appellant reported the comparables have sites ranging in size from 8,775 to 9,757 square feet of land area that are improved with 2-story dwellings of frame exterior construction. Each dwelling has 2,136 square feet of living area and is 50 or 51 years old. One comparable is reported to have a basement. Each comparable has central air conditioning, one

fireplace and a garage with 440 square feet of building area. The comparables sold from January to July 2020 for prices ranging from \$280,000 to \$308,000 or from \$131.09 to \$144.19 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,490. The subject's assessment reflects a market value of \$356,361 or \$166.84 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on ten comparable sales located within .75 of a mile from the subject property.¹ The board of review reported the comparables have sites ranging in size from 8,770 to 12,340 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,000 to 2,442 square feet of living area. The dwellings were built in 1970 or 1972 with comparables #5 and #6 having effective years built of 1973 and 1980. Nine comparables have crawl space foundations and one comparable as a basement. Each comparable has central air conditioning; eight comparables each have one fireplace; and each comparable has a garage ranging in size from 252 to 500 square feet of building area. The comparables sold from May 2020 to May 2021 for prices ranging from \$332,000 to \$410,000 or from \$156.97 to \$190.75 per square foot of living area, land included. The board of review also submitted a Multiple Listing Service Sheet disclosing the subject sold in August 2018 for \$385,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 14 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to board of review comparables #4, #5 and #6 which are less similar to the subject in dwelling size, foundation type and/or effective year built when compared to the subject.

The Board finds the best evidence of market value to be the remaining comparables in the record. These comparables are similar to the subject location, age, dwelling size and features. The properties sold from January 2020 to May 2021 for prices ranging from \$280,000 to \$375,000 or from \$131.09 to \$177.30 per square foot of living area, land included. The subject's assessment reflects a market value of \$356,361 or \$166.84 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record.

¹ For ease of reading, the second set of comparables have been renumbered #6 through #10.

After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
