

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kaitlyn White
DOCKET NO.: 21-04095.001-R-1
PARCEL NO.: 05-23-304-007

The parties of record before the Property Tax Appeal Board are Kaitlyn White, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,176
IMPR.: \$82,208
TOTAL: \$105,384

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,956 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement, central air conditioning, a fireplace, and a 748 square foot garage. The property has a 56,420 square foot site and is located in Ingleside, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.41 of a mile to 1.17 miles from the subject. The parcels range in size from 6,922 to 468,805 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,490 to 3,051 square feet of living area. The dwellings were built from 1988 to 2000. Each home has a basement, two of which have finished area, central air conditioning, and a garage ranging in size from 460 to 806 square feet of building area. Four homes each have a fireplace. The

comparables sold from April to July 2020 for prices ranging from \$246,400 to \$340,000 or from \$91.97 to \$124.50 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,384. The subject's assessment reflects a market value of \$316,944 or \$107.22 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.77 of a mile from the subject. Comparables #1 and #2 are the same properties as the appellant's comparables #2 and #3, respectively. The parcels range in size from 41,850 to 55,180 square feet of land area and are improved with 2-story or part 1-story and part 2-story homes¹ of wood siding exterior construction ranging in size from 2,711 to 3,146 square feet of living area. The dwellings were built from 1978 to 1992. Two homes each have a basement and one home has a crawl space foundation. Each home has central air conditioning, one or three fireplaces, and a garage ranging in size from 736 to 816 square feet of building area. The comparables sold in May and June 2020 for prices ranging from \$290,000 to \$340,000 or from \$104.86 to \$111.44 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #4, and #5, due to substantial differences from the subject in site size, basement finish, and/or age, and/or which are located more than one mile from the subject. The Board gives less weight to the board of review's comparable #3, which has a crawl space foundation compared to the subject's basement.

The Board finds the best evidence of market value to be the two common comparables, which are similar to the subject in dwelling size, age, location, site size, and features. These two most similar comparables sold for prices of \$290,000 and \$340,000 or for \$106.97 and \$111.44 per square foot of living area, including land, respectively. The subject's assessment reflects a

market value of \$316,944 or \$107.22 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
