

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Jones
DOCKET NO.: 21-04096.001-R-1
PARCEL NO.: 05-23-404-003

The parties of record before the Property Tax Appeal Board are Aaron Jones, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,049
IMPR.: \$81,325
TOTAL: \$98,374

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,823 square feet of living area. The dwelling was constructed in 2003. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 556 square foot garage. The property has a 12,540 square foot site and is located in Round Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.17 of a mile from the subject. The parcels range in size from 12,789 to 15,611 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,768 to 3,012 square feet of living area. The dwellings were built in 2004 and 2005. Each home has a

basement, one of which has finished area,¹ central air conditioning, a fireplace, and a garage ranging in size from 556 to 576 square feet of building area. The comparables sold from April 2020 to April 2021 for prices ranging from \$260,000 to \$335,000 or from \$88.81 to \$121.03 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,374. The subject's assessment reflects a market value of \$295,862 or \$104.80 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.26 of a mile from the subject. Comparable #4 is the same property as the appellant's comparable #3. The parcels range in size from 12,000 to 17,859 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,748 to 2,992 square feet of living area. The dwellings were built in 2003 or 2005. Each home has a basement, four of which have finished area,² central air conditioning, and a 572 or a 576 square foot garage. Three homes each have a fireplace. The comparables sold from October 2020 to August 2021 for prices ranging from \$280,000 to \$370,000 or from \$101.89 to \$127.73 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparable #5, which each lack finished basement area that is a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3/board of review's comparable #4 and the board of review's comparables #1, #2, and #3, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$330,000 to \$370,000 or from \$120.09 to \$127.73 per

¹ The board of review submitted a listing sheet for comparable #3, which is common to both parties, describing finished basement area.

² The board of review submitted listing sheets for comparables #2 and #4, which describe finished basement area.

square foot of living area, including land. The subject's assessment reflects a market value of \$295,862 or \$104.80 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
