

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Kaye  
DOCKET NO.: 21-04103.001-R-1  
PARCEL NO.: 06-08-307-074

The parties of record before the Property Tax Appeal Board are Robert Kaye, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,877  
**IMPR.:** \$62,815  
**TOTAL:** \$72,692

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,874 square feet of living area. The dwelling was constructed in 2003. Features of the home include a basement with finished area,<sup>1</sup> central air conditioning, and a 400 square foot garage. The property has a 7,841 square foot site and is located in Round Lake Heights, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.34 of a mile from the subject. The parcels range in size from 5,663 to 6,534 square feet of land area and are improved with 2-story homes of wood frame exterior construction ranging in size from 1,697 to 1,874

<sup>1</sup> The parties differ regarding the subject's basement finish. The Board finds the best evidence of basement finish is found in the subject's property record card presented by the board of review.

square feet of living area. The dwellings were built in 1999 or 2002. Three homes each have a basement, two homes each have central air conditioning, and each home has a 440 or a 462 square foot garage. The comparables sold from January to July 2020 for prices ranging from \$184,000 to \$208,000 or from \$104.06 to \$122.57 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,692. The subject's assessment reflects a market value of \$218,623 or \$116.66 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.37 of a mile from the subject. The parcels range in size from 4,790 to 7,410 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 1,719 to 1,874 square feet of living area. The dwellings were built from 1999 to 2002. Each home has a basement, one of which has finished area, central air conditioning, and a 400 or a 462 square foot garage. Three homes each have central air conditioning. The comparables sold from September 2020 to May 2021 for prices ranging from \$220,000 to \$258,000 or from \$117.40 to \$145.93 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparable #3, due to substantial differences from the subject in foundation type and/or central air conditioning amenity.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #1, #2, and #4, which are similar to the subject in dwelling size, age, location, site size, and features, although only one of these comparables has finished basement area like the subject, suggesting adjustments to the other comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$208,000 to \$258,000 or from \$117.40 to \$145.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$218,623 or \$116.66 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
