

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chan-Yop Han
DOCKET NO.: 21-04104.001-R-1
PARCEL NO.: 06-03-305-046

The parties of record before the Property Tax Appeal Board are Chan-Yop Han, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,343
IMPR.: \$78,147
TOTAL: \$90,490

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,634 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement, central air conditioning, a fireplace, and a 496 square foot garage. The property has an 8,276 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.26 of a mile from the subject. The comparables have 8,712 or 9,583 square foot sites that are improved with 2-story homes of wood frame exterior construction with 2,741 or 2,755 square feet of living area. The dwellings were built in 1999. Each home has a basement, central air conditioning, and a 653 square foot garage. Two homes each have a fireplace. The comparables sold from February to

August 2020 for prices ranging from \$248,000 to \$277,000 or from \$90.48 to \$100.54 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$90,490. The subject's assessment reflects a market value of \$272,150 or \$103.32 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.30 of a mile from the subject. The parcels range in size from 7,840 to 12,200 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,552 to 2,755 square feet of living area. The dwellings were built from 1997 to 2000. Each home has a basement, two of which are walkouts and one of which has finished area, central air conditioning, a fireplace, and a garage ranging in size from 440 to 680 square feet of building area. The comparables sold from May to December 2021 for prices ranging from \$338,000 to \$360,000 or from \$128.86 to \$140.85 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparable #2 which has finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparables #1, #3, #4, and #5, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$248,000 to \$360,000 or from \$90.48 to \$140.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$272,150 or \$103.32 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
