

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Schuster
DOCKET NO.: 21-04108.001-R-1
PARCEL NO.: 02-36-402-023

The parties of record before the Property Tax Appeal Board are Brian Schuster, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,807
IMPR.: \$103,690
TOTAL: \$122,497

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,733 square feet of living area. The dwelling was constructed in 2009. Features of the home include a basement, central air conditioning, a fireplace, and a 819 square foot garage. The property has an approximately 10,986 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.20 of a mile from the subject. The parcels range in size from 10,981 to 12,680 square feet of land area and are improved with 2-story homes of wood frame exterior construction ranging in size from 2,928 to 3,280 square feet of living area. The dwellings were built from 2007 to 2012. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 644 to 802

square feet of building area. The comparables sold from June to October 2019 for prices ranging from \$320,000 to \$425,000 or from \$97.56 to \$141.93 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$122,497. The subject's assessment reflects a market value of \$368,412 or \$134.80 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.21 of a mile from the subject. Comparables #1 and #3 are the same properties as the appellant's comparables #4 and #3, respectively. The parcels range in size from 9,580 to 12,680 square feet of land area and are improved with 2-story homes of wood siding or vinyl siding and brick exterior construction ranging in size from 2,505 to 3,240 square feet of living area. The dwellings were built from 1998 to 2012. Each home has a basement, three of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 400 to 802 square feet of building area. The comparables sold from June 2019 to October 2021 for prices ranging from \$354,000 to \$492,000 or from \$131.17 to \$143.43 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1, #2, and #3, which includes the common sales, due to substantial differences from the subject in dwelling size and/or which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #4 and #5, which sold more proximate in time to the assessment date and are similar to the subject in dwelling size, location, site size, and some features, although these comparables are older homes than the subject and one comparable has finished basement area unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$354,000 and \$360,000 or for \$141.32 and \$143.43 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$368,412 or \$134.80 per square foot of living area, including land, which is above the two best comparable sales in terms of total market value and below the two best comparables on a price per square foot basis, which appears to be logical

given the subject is a larger home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
