

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrea Gonzalez
DOCKET NO.: 21-04118.001-R-1
PARCEL NO.: 06-17-125-023

The parties of record before the Property Tax Appeal Board are Andrea Gonzalez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,376
IMPR.: \$36,983
TOTAL: \$45,359

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story townhouse of vinyl siding exterior construction with 1,176 square feet of living area. The dwelling was constructed in 1987. Features of the home include a concrete slab foundation, central air conditioning, and a 440 square foot garage. The property has a 3,250 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .21 of a mile from the subject. The comparables have sites ranging in size from 3,271 to 3,315 square feet of land area that are improved with two-story townhouses with 1,176 or 1,376 square feet of living area. The dwellings were built in 1987 or 1988. Each comparable has central air conditioning, one fireplace, and a garage with 440 square feet of building area. The comparables sold from July

2020 to March 2021 for prices ranging from \$136,000 to \$157,500 or from \$105.38 to \$133.93 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,359. The subject's assessment reflects a market value of \$136,418 or \$116.00 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales that are located within .21 of a mile from the subject. Comparables #1 and #5 are the same sales as appellant's comparables #3 and #2, respectively. The comparables have sites ranging in size from 1,860 to 3,310 square feet of land area improved with two-story townhouses of vinyl siding exterior, each containing 1,176 square feet of living area. The dwellings were built in 1987. Each comparable also has central air conditioning; three comparables each have one fireplace; and each comparable has a garage ranging in size from 220 to 440 square feet of building area. The comparables sold from April 2020 to March 2021 for prices ranging from \$136,000 to \$157,050 or from \$115.65 to \$133.93 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, two of which are common to both parties. The Board gives less weight to appellant's comparable #1 which is less similar in dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the parties' six remaining comparables which includes the parties' two common comparables. These comparables are identical in dwelling size and similar to the subject in location, age, and features. These comparables sold from April 2020 to March 2021 for prices ranging from \$136,000 to \$157,500 or from \$115.65 and \$133.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$136,418 or \$116.00 per square foot of living area, including land, which falls at the low end of the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is well supported and reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
