

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joni Bernstein
DOCKET NO.: 21-04122.001-R-1
PARCEL NO.: 06-10-401-061

The parties of record before the Property Tax Appeal Board are Joni Bernstein, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,291
IMPR.: \$59,103
TOTAL: \$70,394

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,632 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement with finished area, central air conditioning, and a 420 square foot garage. The property has a 10,890 square foot site and is located in Round Lake Beach, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .33 of a mile from the subject. These comparables have sites ranging in size from 8,276 to 11,761 square feet of land area that are improved with 2-story dwellings of wood frame exterior construction with either 1,645 or 1,788 square feet of living area. The dwellings were built from 1994 to 2000. The comparables each have a basement, central air conditioning and a garage with either 420 or 496

square feet of building area. One comparable has a fireplace. The appellant also reported comparable #1 has a deck/patio and comparables #2 and #3 each have porch. The comparables sold in January or June 2020 for prices ranging from \$209,900 to \$226,000 or from \$126.40 to \$128.88 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,394. The subject's assessment reflects a market value of \$211,711 or \$129.73 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .20 of a mile from the subject. The comparables are reported to have sites ranging in size from 7,410 to 15,680 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction built in 1999 or 2000. The dwellings range in size from 1,560 to 1,655 square feet of living area. The comparables have basements, one of which has finished area. Three comparables have central air conditioning. Each comparable has a garage ranging in size from 400 to 441 square feet of building area. The comparables sold from April 2020 to November 2021 for prices ranging from \$215,000 to \$299,000 or from \$130.30 to \$181.76 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted eight comparable sales to support their respective positions. These comparables are relatively similar to the subject in location, age, dwelling size and some features. These comparables sold from January 2020 to November 2021 for prices ranging from \$209,900 to \$299,000 or from \$126.40 to \$181.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$211,711 or \$129.73 per square foot of living area, including land, which falls at the lower end of the range established by the best comparable sales in this record and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
