

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Schlagger  
DOCKET NO.: 21-04139.001-R-1  
PARCEL NO.: 06-24-203-030

The parties of record before the Property Tax Appeal Board are David Schlagger, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,747  
**IMPR.:** \$63,478  
**TOTAL:** \$76,225

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 1,600 square feet of living area. The dwelling was constructed in 1988. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The property has a 9,148 square foot site and is located in Third Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .43 of a mile from the subject and have the same assessment neighborhood code as the subject. These comparables have sites ranging in size from 8,712 to 19,166 square feet of land area that are improved with 2-story dwellings ranging in size from 1,600 to 1,806 square feet of living area. The dwellings were built from 1986 to 1988 and have basements, one with finished area. Each comparable has

central air conditioning, one fireplace, and a garage ranging in size from 396 to 600 square feet of building area. The appellant also submitted a Multiple Listing Service sheet associated with comparable #4 that disclosed it was a recent rehab in 2016. The comparables sold from May 2019 to March 2021 for prices ranging from \$214,900 to \$238,500 or from \$119.92 to \$136.88 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,225. The subject's assessment reflects a market value of \$229,248 or \$143.28 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .39 of a mile from the subject and have the same assessment neighborhood code as the subject. The comparables are reported to have sites ranging in size from 7,410 to 8,840 square feet of land area and are improved with 1.5-story or 2-story dwellings of vinyl siding exterior construction ranging in size from 1,568 to 1,686 square feet of living area. The dwellings were built from 1987 to 1989 and have basements, one with finished area. The comparables each have central air conditioning, one fireplace and a garage ranging in size from 400 to 528 square feet of building area. The comparables sold from September 2020 to August 2021 for prices ranging from \$228,000 to \$289,000 or from \$142.35 to \$172.85 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #3 which sold in 2019, less proximate in time to the January 1, 2021 assessment date than the other sales in the record.

The Board finds the best evidence of market value to be appellant's comparable #4 and the board of review comparables which are similar to the subject in location, dwelling size, age and some features. These comparables sold from September 2020 to August 2021 for prices ranging from \$219,000 to \$289,000 or from \$136.88 to \$172.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$229,248 or \$143.28 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
