

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elena Larco  
DOCKET NO.: 21-04153.001-R-1  
PARCEL NO.: 06-26-401-006

The parties of record before the Property Tax Appeal Board are Elena Larco, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,384  
**IMPR.:** \$68,722  
**TOTAL:** \$78,106

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of brick and vinyl siding exterior construction with 1,678 square feet of living area.<sup>1</sup> The dwelling was constructed in 1955, with a reported effective age of 1961. Features of the home include an unfinished basement and a garage containing 900 square feet of building area. The property has a 14,810 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .99 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 1.5-story dwellings ranging in size from 1,644 to 1,959 square feet of living area. The homes were built

from 1947 to 1958, with comparable #1 having an effective age of 1970 and comparable #3 having an effective age of 1976.<sup>2</sup> Each dwelling has a basement with one having finished area and a garage ranging in size from 276 to 396 square feet of building area. Three comparables have central air conditioning and two comparables each have a fireplace. The parcels range in size from 7,501 to 13,068 square feet of land area. The comparables sold from April 2020 to May 2021 for prices ranging from \$177,000 to \$225,000 or from \$106.88 to \$136.03 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$64,317, for an estimated market value of \$192,970 or \$115.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,106. The subject's assessment reflects a market value of \$234,905 or \$139.99 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 1.17 miles of the subject and within the subject's assessment neighborhood. Comparable #2 is the same property as appellant comparable #3, with the board of review reporting a second sale of the property. The comparables consist of 1.5-story dwellings of vinyl siding exterior construction ranging in size from 1,428 to 1,776 square feet of living area. The dwellings were built from 1937 to 1970, with comparables #2 and #4 having effective ages of 1976 and 1968, respectively. Each dwelling has central air conditioning and a garage ranging in size from 240 to 612 square feet of building area. Two comparables each have a fireplace, three comparables each have a basement with one having finished area, and one comparable has a crawl-space foundation. The parcels range in size from 7,410 to 13,070 square feet of land area. The comparables sold from October 2020 to August 2021 for prices ranging from \$228,000 to \$320,000 or from \$152.10 to \$194.65 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable selling twice. The Board gives less weight to the appellant's comparables #2 and #3/board of review comparable #2, which differ from the subject in dwelling size or basement finish. The Board also gives reduced weight to

board of review comparables #1 and #3, which differ from the subject in foundation or are located more than one mile from the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #4 along with board of review comparable sale #4, which are similar to the subject in age/effective age, dwelling size, location, and features. These most similar comparables sold for prices ranging from \$177,000 to \$299,999 or from \$106.88 to \$168.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$234,905 or \$139.99 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
