

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nick Nilsson
DOCKET NO.: 21-04156.001-R-1
PARCEL NO.: 06-27-106-005

The parties of record before the Property Tax Appeal Board are Nick Nilsson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,008
IMPR.: \$64,782
TOTAL: \$75,790

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,593 square feet of living area.¹ The dwelling was constructed in 1995. Features of the home include an unfinished basement, central air conditioning, and a garage containing 696 square feet of building area. The property has a 7,800 square foot site and is located in Hainesville, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .28 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings containing either 1,525 or 1,713 square feet of living area. The homes were built in

1994 or 1996. Each dwelling has central air conditioning, an unfinished basement, and a garage containing either 400 or 440 square feet of building area. The parcels range in size from 7,501 to 8,729 square feet of land area. The comparables sold from May to November 2020 for prices ranging from \$195,000 to \$228,150 or from \$113.84 to \$133.19 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$71,147, for an estimated market value of \$213,462 or \$134.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,790. The subject's assessment reflects a market value of \$227,940 or \$143.09 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .45 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story or part one-story and part two-story² dwellings of vinyl siding exterior construction ranging in size from 1,511 to 1,648 square feet of living area. The dwellings were built from 1993 to 1997. Each dwelling has central air conditioning and a garage ranging in size from 440 to 696 square feet of building area. Three comparables each have a fireplace, four comparables each have a basement with three having finished area, and one comparable has a concrete slab foundation. The parcels range in size from 5,770 to 7,800 square feet of land area. The comparables sold from April to December 2021 for prices ranging from \$229,000 to \$272,000 or from \$142.86 to \$170.12 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables #2 through #5, which differ from the subject in basement finish or foundation.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sale #1, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$195,000 to

² Although the board of review's grid describes comparable #3 as a one-story dwelling, the grid reports a 616 square foot ground floor and 1,648 square feet of above ground living area, indicating that this property is a part two-story dwelling.

\$272,000 or from \$113.84 to \$165.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$227,940 or \$143.09 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
