

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Reim  
DOCKET NO.: 21-04166.001-R-1  
PARCEL NO.: 06-27-305-009

The parties of record before the Property Tax Appeal Board are John Reim, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,788  
**IMPR.:** \$135,544  
**TOTAL:** \$157,332

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,717 square feet of living area.<sup>1</sup> The dwelling was constructed in 1993. Features of the home include a basement with finished area, four full and one half bathrooms, central air conditioning, a fireplace, and a garage containing 929 square feet of building area. The property has an approximately 18,740 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood. The comparables consist of two-story dwellings ranging in size from

3,017 to 3,866 square feet of living area. The homes were built from 1986 to 1993, with comparable #2 having an effective age of 1996. Each dwelling has two full and one half or three full bathrooms, central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 528 to 910 square feet of building area. The parcels range in size from 10,019 to 14,810 square feet of land area. The comparables sold from March to November 2020 for prices ranging from \$337,500 to \$420,000 or from \$107.35 to \$130.92 per square foot of living area, including land. The appellant also noted that comparable #1 was recently renovated. Based on this evidence, the appellant requested a reduced assessment of \$146,187, for an estimated market value of \$438,605 or \$118.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$157,332. The subject's assessment reflects a market value of \$473,179 or \$127.30 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within the subject's assessment neighborhood. Comparable #5 is the same property as appellant comparable #4. The comparables consist of two-story dwellings of vinyl siding exterior construction ranging in size from 3,017 to 3,407 square feet of living area. The dwellings were built from 1988 to 1993. Each dwelling has two full and one half or three full bathrooms, central air conditioning, a fireplace, a basement with one having finished area, and a garage ranging in size from 504 to 782 square feet of building area. The parcels range in size from 11,760 to 20,040 square feet of land area. The comparables sold from June 2020 to September 2021 for prices ranging from \$395,000 to \$464,990 or from \$127.04 to \$152.16 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #1, #3, and #4, as well as board of review comparables #1, #4, and #5, which includes the common comparable, due to differences from the subject in dwelling size.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and board of review comparable sales #2 and #3, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold for prices of \$420,000 or

\$435,000 or from \$108.64 to \$127.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$473,179 or \$127.30 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis. While the subject's estimated market value is above the range overall, the Board finds it logical given the subject's finished basement, greater bathroom count, and larger garage than the best comparables in the record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
