

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Paulson
DOCKET NO.: 21-04168.001-R-1
PARCEL NO.: 06-29-210-024

The parties of record before the Property Tax Appeal Board are Robert Paulson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,841
IMPR.: \$51,558
TOTAL: \$58,399

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a raised ranch style dwelling of vinyl siding exterior construction with 1,034 square feet of living area.¹ The dwelling was constructed in 1986. Features of the home include a finished lower level and central air conditioning. The property has a 5,000 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .54 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story, raised ranch, or tri-level dwellings ranging in size from 912 to 1,092 square feet of living area. The homes were built from 1968 to 1992, with comparable #2 having an effective age of

1993. Each dwelling has central air conditioning, two comparables each have a basement with one having finished area and being a walk-out style, and two comparables each have a garage containing either 380 or 484 square feet of building area. The parcels range in size from 4,792 to 7,841 square feet of land area. The comparables sold from February 2019 to January 2021 for prices ranging from \$136,700 to \$167,400 or from \$125.18 to \$164.47 per square foot of living area, including land. The appellant also submitted Multiple Listing Service sheets for comparables #3 and #4, noting that these properties were recently renovated. Based on this evidence, the appellant requested a reduced assessment of \$55,141, for an estimated market value of \$165,440 or \$160.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$58,399. The subject's assessment reflects a market value of \$175,636 or \$169.86 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .75 of a mile of the subject, two of which are in the subject's assessment neighborhood. The comparables consist of bi-level/raised ranch or tri-level dwellings of wood siding or vinyl siding exterior construction ranging in size from 1,028 to 1,344 square feet of living area. The dwellings were built from 1992 to 2007. Each dwelling has central air conditioning and a finished lower level. Two comparables each have a fireplace, one comparable has an unfinished basement, and four comparables each have a garage ranging in size from 380 to 672 square feet of building area. The parcels range in size from 4,260 to 5,230 square feet of land area. The comparables sold from April to October 2021 for prices ranging from \$189,000 to \$230,000 or from \$171.13 to \$216.15 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1, #3, #4, and #5, which differ from the subject in age, and which sold less proximate to the January 1, 2021 assessment date at issue. The Board also gives reduced weight to board of review comparables #2 and #3, which differ from the subject in age.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and board of review comparable sales #1, #4, and #5, which sold proximate to the valuation date at

issue and are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold from January to July 2021 for prices ranging from \$159,900 to \$230,000 or from \$151.42 to \$180.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$175,636 or \$169.86 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
