

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rachel Lewandowski
DOCKET NO.: 21-04171.001-R-1
PARCEL NO.: 06-32-304-012

The parties of record before the Property Tax Appeal Board are Rachel Lewandowski, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,982
IMPR.: \$93,901
TOTAL: \$106,883

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,547 square feet of living area. The dwelling was constructed in 2006. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 670 square foot garage. The property has an approximately 10,180 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.60 of a mile from the subject property. The comparables have sites that range in size from 9,030 to 10,036 square feet of land area and are improved with two-story dwellings ranging in size from 2,979 to 3,168 square feet of living area. The dwellings were built from 2001 to 2006. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from

528 to 622 square feet of building area. The properties sold from July to November 2020 for prices ranging from \$255,000 to \$315,000 or from \$80.49 to \$105.74 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$105,217 which reflects a market value of \$315,683 or \$89.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$106,883. The subject's assessment reflects a market value of \$321,453 or \$90.63 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.22 of a mile from the subject property. The comparables have sites that range in size from 9,100 to 13,210 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction ranging in size from 3,433 to 3,600 square feet of living area. The homes were built in 2004 or 2006. Each comparable has a basement, with one having finished area. Each dwelling has central air conditioning and a garage ranging in size from 609 to 701 square feet of building area. Four homes each have one fireplace. The properties sold from April 2020 to November 2021 for prices ranging from \$326,000 to \$379,000 or from \$92.12 to \$110.34 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which are less similar to the subject in dwelling size than other properties in the record.

The Board finds the best evidence of market value to be the board of review comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from April 2020 to November 2021 for prices ranging from \$326,000 to \$379,000 or from \$92.12 to \$110.34 per square foot of living area, including land. The Board finds board of review comparable #1 is most similar to the subject because it is the only comparable in the record with a finished basement like the subject which sold for \$326,000 or \$92.12 per square foot of living area, land included. The subject's assessment reflects a market value of \$321,453 or \$90.63 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering appropriate

adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
