

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Mohica
DOCKET NO.: 21-04175.001-R-1
PARCEL NO.: 06-28-203-044

The parties of record before the Property Tax Appeal Board are Debra Mohica, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,109
IMPR.: \$64,029
TOTAL: \$73,138

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,583 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning and a 400 square foot garage. The property has an approximately 5,230 square foot site and is located in Hainesville, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.65 of a mile from the subject property. The comparables have sites that range in size from 5,663 to 7,200 square feet of land area and are improved with two-story dwellings ranging in size from 1,598 to 1,713 square feet of living area. The dwellings were built in 1994 or 1996. Each comparable has a basement, central air conditioning and a garage ranging in size from 400 to 664 square feet of

building area. Two dwellings each have one fireplace. The properties sold from May 2020 to May 2021 for prices ranging from \$222,000 to \$255,000 or from \$129.60 to \$155.49 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$69,645 which reflects a market value of \$208,956 or \$132.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,138. The subject's assessment reflects a market value of \$219,964 or \$138.95 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.65 of a mile from the subject property. Board of review comparable #2 is the same property as the appellant's comparable #4. The comparables have sites that range in size from 6,900 to 7,800 square feet of land area and are improved with one-story¹ or two-story dwellings of vinyl siding exterior construction ranging in size from 1,511 to 1,648 square feet of living area. The homes were built from 1993 to 1995. Each comparable has a basement, with four having finished area. Each dwelling has central air conditioning and a garage ranging in size from 440 to 696 square feet of building area. Four homes each have one fireplace. The properties sold from April to December 2021 for prices ranging from \$252,500 to \$272,000 or from \$155.49 to \$170.12 per square foot of living area, land included.

The board of review also submitted copies of the Multiple Listing Service sheets associated with the appellant's comparables #1, #2 and #3 which disclosed these properties each have an unfinished basement and that comparable #2 has a three season room. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparables #1, #2 and #3 along with board of review comparable #3 which have unfinished basement area in contrast to the subject's finished basement area.

¹ Board of review comparable #4 has ground floor area of 616 square feet with above ground area of 1,648 square feet, suggesting this dwelling is part two-story.

The Board finds the best evidence of market value to be appellant comparable #4 and board of review comparables #1, #2, #4 and #5, including the common property, which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from May to December 2021 for prices ranging from \$252,500 to \$271,000 or from \$155.49 to \$170.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$219,964 or \$138.95 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
