

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bolivar Gonzalez
DOCKET NO.: 21-04179.001-R-1
PARCEL NO.: 06-32-305-020

The parties of record before the Property Tax Appeal Board are Bolivar Gonzalez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,873
IMPR.: \$66,834
TOTAL: \$79,707

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 1,974 square feet of living area. The dwelling was constructed in 2006. Features of the home include a basement, one fireplace and a 504 square foot garage. The property has an approximately 9,360 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.44 of a mile from the subject property. The comparables have sites that range in size from 9,156 to 9,365 square feet of land area and are improved with 2-story dwellings with either 2,041 or 2,345 square feet of living area. The dwellings were built from 2001 to 2004. Each comparable has a basement, central air conditioning and a garage with 504 or 528 square feet of building area. Two homes

each have one fireplace. The properties sold from January 2020 to March 2021 for prices ranging from \$205,000 to \$275,000 or from \$100.44 to \$134.74 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$76,978 which reflects a market value of \$230,957 or \$117.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,707. The subject's assessment reflects a market value of \$239,720 or \$121.44 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.49 of a mile from the subject property. The comparables have sites that range in size from 7,200 to 9,480 square feet of land area and are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 1,974 to 2,148 square feet of living area. The homes were built from 2002 to 2006. Each comparable has a basement, central air conditioning and a garage with 504 or 525 square feet of building area. Two dwellings each have one fireplace. The properties sold from May to July 2021 for prices ranging from \$290,000 to \$309,050 or from \$142.46 to \$156.56 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The parties' comparable properties are all generally similar to the subject in location, age, design, dwelling size and other features. These comparables sold from January 2020 to July 2021 for prices ranging from \$205,000 to \$309,050 or from \$100.44 to \$156.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$239,720 or \$121.44 per square foot of living area, including land, which falls within the range established by the comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
