

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ivan Gruenthal
DOCKET NO.: 21-04183.001-R-1
PARCEL NO.: 06-36-401-011

The parties of record before the Property Tax Appeal Board are Ivan Gruenthal, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,353
IMPR.: \$118,514
TOTAL: \$135,867

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,408 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with finished area,¹ central air conditioning, two fireplaces and a 462 square foot garage. The property has an approximately 10,500 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.24 of a mile from the subject property. The comparables have sites that range in size from 10,254 to 10,938 square feet of land area and are improved with 2-story dwellings with either 2,236 or 2,711 square feet

¹ The Board finds the best description of the subject property was found in its property record card submitted by the board of review and not refuted by the board of review.

of living area. The dwellings were built in 1997 or 1998. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage with either 484 or 504 square feet of building area. The properties sold from May 2020 to March 2021 for prices ranging from \$296,000 to \$385,000 or from \$109.18 to \$155.64 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$117,178 which reflects a market value of \$351,569 or \$146.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,867. The subject's assessment reflects a market value of \$408,623 or \$169.69 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.37 of a mile from the subject property. The comparables have sites that range in size from 9,920 to 12,550 square feet of land area and are improved with 2-story dwellings of wood or vinyl siding exterior construction ranging in size from 2,236 to 2,619 square feet of living area. The homes were built from 1994 to 1999. Each comparable has a basement, with one having finished area. Each dwelling has central air conditioning and a garage ranging in size from 484 to 529 square feet of building area. Four homes each have either one or two fireplaces. The properties sold from September 2020 to December 2021 for prices ranging from \$416,500 to \$490,000 or from \$161.87 to \$219.14 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1 and #2 which are less similar to the subject in dwelling size than other properties in the record.

The Board finds the best evidence of market value to be appellant comparable #3 along with the board of review comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from September 2020 to December 2021 for prices ranging from \$348,000 to \$490,000 or from \$155.64 to \$219.14 per square foot of living area, including land. Board of review comparable #2 has a finished basement like the subject and sold for \$425,000 or \$166.41 per square foot of living area, land included. The subject's assessment reflects a market value of \$408,623 or \$169.69 per square foot of living area, including land, which falls within the range established by the best comparable sales in this

record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
