

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Pieper  
DOCKET NO.: 21-04222.001-R-1  
PARCEL NO.: 07-21-309-012

The parties of record before the Property Tax Appeal Board are Mary Pieper, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,496  
**IMPR.:** \$88,097  
**TOTAL:** \$107,593

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,337 square feet of living area. The dwelling was constructed in 1992. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 420 square feet of building area. The property has an approximately 12,532 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .51 of a mile from the subject and within the subject's assessment neighborhood. The properties have sites ranging in size from 12,001 to 12,872 square feet of land area that are improved with two-story dwellings of wood frame exterior construction ranging in size from 2,299 to 2,386 square feet of living area. The homes were built in 1989 or 1990. The appellant reported that each comparable has a

basement, central air conditioning, a fireplace, and a garage with either 420 or 440 square feet of building area. The comparables sold from March 2020 to February 2021 for prices ranging from \$268,000 to \$330,000 or from \$116.57 to \$138.77 per square foot of living area, including land. The appellant also provided a copy of the Multiple Listing Service (MLS) sheet disclosing the dwelling for comparable #3 was rehabbed in 2020 and has a finished basement area. Based on this evidence, the appellant requested a reduced assessment of \$105,154, for an estimated market value of \$315,494 or \$135.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,593. The subject's assessment reflects a market value of \$323,588 or \$138.46 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .45 of a mile of the subject and within the subject's assessment neighborhood. The properties have sites ranging in size from 10,050 to 18,010 square feet of land area that are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,338 to 2,378 square feet of living area. The dwellings were built from 1989 to 1993. Each comparable has a basement with three having finished area, central air conditioning, a fireplace, and a garage ranging in size from 440 to 660 square feet of building area. Comparable #5 has an inground swimming pool. The comparables sold from July 2020 to September 2021 for prices ranging from \$335,000 to \$360,000 or from \$140.87 to \$151.90 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales for the Board's consideration. The Board gives reduced weight to appellant comparable #1 which appears to be an outlier with its much lower sale price compared to the other sales in the record. The Board gives less weight to the appellant's comparables #3 and the board of review comparables #1, #4 and #5 due to their basement finish and/or an inground swimming pool, which are not features of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are relatively similar to the subject in location, age, dwelling size, basement finish and features. These five comparables sold for prices ranging from \$305,000 to \$340,000 or from \$130.62 to \$142.98 per square foot of living area, including land, respectively. The subject's assessment reflects a market value \$323,588 or \$138.46 per square foot of living area, including

land, which falls within the range of the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
