

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maria San Roman
DOCKET NO.: 21-04262.001-R-1
PARCEL NO.: 09-02-306-011

The parties of record before the Property Tax Appeal Board are Maria San Roman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,858
IMPR.: \$72,066
TOTAL: \$86,924

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with vinyl siding exterior construction containing 2,854 square feet of living area. The dwelling was built in 2011. Features of the home include an unfinished basement, central air conditioning, and an attached garage with 506 square feet of building area. The property has a site of approximately 6,770 square feet and is located in Volo, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis with information on four comparable sales located within the same assessment neighborhood code as the subject property. The comparables have sites ranging in size from 6,669 to 10,550 square feet of land area and are improved with 2-story dwellings that range in size from 2,480 to 2,883 square feet of living area. The dwellings were built from 2007 to 2012. Each comparable features an unfinished basement, central air

conditioning, and a garage with either 400 or 506 square feet of building area. One comparable has a fireplace. The comparables sold from May 2020 to May 2021 for prices ranging from \$218,000 to \$305,000 or from \$83.39 to \$106.87 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,924. The subject's assessment reflects a market value of \$261,426 or \$91.60 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted a grid analysis with information on three comparable sales located within the same assessment neighborhood code as the subject property. Board of review comparable #1 is the same property that was submitted by the appellant as comparable #4. The comparables have parcels ranging in size from 6,670 to 8,220 square feet of land area. The sites are improved with 2-story dwellings of vinyl siding or vinyl siding and brick exterior construction each containing 2,854 square feet of living area. The dwellings were built in either 2012 or 2013. Each comparable features an unfinished basement, central air conditioning, and a garage with 506 square feet of building area. The comparables sold from May to November 2021 for prices ranging from \$300,000 to \$362,500 or from \$105.12 to \$127.01 per square foot of living area, including land. Based on this evidence, the board of review requested the assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales including one common comparable submitted by the parties in support of their respective positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparable #2 due to its smaller dwelling size relative to the subject dwelling.

The Board finds the best evidence of market value to be appellant's comparables #1, #3, and #4, along with board of review comparables which includes the parties' common comparable. These comparables are most similar to the subject in location, design, age, dwelling size, and most features. They sold from May 2020 to November 2021 for prices ranging from \$238,000 to \$362,500 or from \$83.39 to \$127.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$261,426 or \$91.60 per square foot of living area, including land, which is well within the range established by the best comparable sales in this record both in terms of overall value and on a per square foot basis. After considering adjustments to the best comparables in the record for differences from the subject, the Board finds that the subject property is not overvalued and, therefore, no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
