

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shaquita France  
DOCKET NO.: 21-04265.001-R-1  
PARCEL NO.: 08-31-401-043

The parties of record before the Property Tax Appeal Board are Shaquita France, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,443  
**IMPR.:** \$73,320  
**TOTAL:** \$81,763

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a bi-level dwelling of frame exterior construction with 1,998 square feet of living area. The dwelling was constructed in 2008. Features of the home include a finished lower level, central air conditioning, and a garage containing 506 square feet of building area. The property has an approximately 8,160 square foot site and is located in North Chicago, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.43 miles of the subject, one of which is in the subject's assessment neighborhood. The comparables consist of one-story dwellings ranging in size from 1,528 to 2,124 square feet of living area. The homes were built from 1963 to 1982. Each dwelling has an unfinished basement and a garage ranging in size from 480 to 552 square feet of building area. Two dwellings have central air conditioning

and a fireplace. The parcels range in size from 6,138 to 16,004 square feet of land area. The comparables sold in August 2020 or February 2021 for prices ranging from \$120,000 to \$252,000 or from \$78.53 to \$120.69 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$69,257, for an estimated market value of \$207,792 or \$104.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,763. The subject's assessment reflects a market value of \$245,904 or \$123.07 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.91 miles of the subject, one of which is in the subject's assessment neighborhood. The comparables consist of bi-level or split-level dwellings of wood siding, vinyl siding, or aluminum siding exterior construction ranging in size from 1,072 to 1,260 square feet of living area. The dwellings were built from 1990 to 2006. Each dwelling has central air conditioning, a finished lower level, and a garage ranging in size from 308 to 768 square feet of building area. Two comparables each have a basement. The parcels range in size from 5,930 to 8,200 square feet of land area. The comparables sold from December 2019 to October 2021 for prices ranging from \$165,000 to \$269,500 or from \$135.42 to \$241.27 per square foot of living area, including land. The board of review also submitted Multiple Listing Service sheets for the appellant's comparables and noted the age and design of each comparable. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in location, style, dwelling size, age and/or features. Nevertheless, the Board gives less weight to the appellant's comparables due to differences in age when compared to the subject. The Board also gives reduced weight to board of review comparables #2, #3, and #4, which differ from the subject in age or feature a basement unlike the subject.

The Board finds the best evidence of market value to be board of review comparable sales #1 and #5, which are similar to the subject in age and features. These most similar comparables sold for prices of \$165,000 and \$269,500 or for \$135.69 and \$241.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$245,904 or \$123.07

per square foot of living area, including land, which is bracketed by the best comparable sales in this record overall and below the best comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
