

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bonnie Wisz  
DOCKET NO.: 21-04277.001-R-1  
PARCEL NO.: 09-35-102-006

The parties of record before the Property Tax Appeal Board are Bonnie Wisz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$27,769  
**IMPR.:** \$109,977  
**TOTAL:** \$137,746

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 2,488 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, two fireplaces, a garage containing 576 square feet of building area, and a machinery shed. The property has an approximately 84,070 square foot site and is located in Wauconda, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.46 miles of the subject. The comparables consist of one-story dwellings ranging in size from 2,085 to 2,478 square feet of living area. The homes were built from 1970 to 1988, with comparable #3 having an effective age of 1977. Each dwelling has central air conditioning, a fireplace, a basement

with one having finished area,<sup>1</sup> and a garage ranging in size from 598 to 858 square feet of building area. The parcels each contain 39,648 square feet of land area. The comparables sold from August 2020 to January 2021 for prices ranging from \$330,000 to \$418,000 or from \$145.63 to \$191.85 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$135,168, for an estimated market value of \$405,545 or \$163.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,746. The subject's assessment reflects a market value of \$414,274 or \$166.51 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 1.73 miles of the subject. Comparable #3 is the same property as appellant comparable #3. The comparables consist of one-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,085 to 2,412 square feet of living area. The dwellings were built from 1960 to 1972, with effective ages ranging from 1977 to 1994. Each dwelling has central air conditioning, one or two fireplaces, and a basement with finished area. Two comparables each have a garage containing either 598 or 672 square feet of building area. The parcels range in size from 39,650 to 118,940 square feet of land area. The comparables sold from March 2020 to January 2021 for prices ranging from \$400,000 to \$462,900 or from \$184.49 to \$203.65 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board finds the parties' comparables are not truly similar to the subject due to differences in location, age, parcel size, and/or features. Nevertheless, the Board gives less weight to the appellant's comparables #1 and #3, including the common comparable, due to their older dwellings in relation to the subject. The Board also gives reduced weight to board of review comparable #2, which lacks a garage, a feature of the subject.

---

<sup>1</sup> The appellant submitted a Multiple Listing Service sheet for comparable #3 which notes that this comparable has finished basement area.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and board of review comparable sale #1, which are somewhat similar to the subject in age/effective age, dwelling size, and some features. These most similar comparables sold for prices of \$418,000 and \$445,000 or for \$168.68 and \$184.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$414,274 or \$166.51 per square foot of living area, including land, which falls below the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
