

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Monica Malkowski  
DOCKET NO.: 21-04294.001-R-1  
PARCEL NO.: 01-13-202-009

The parties of record before the Property Tax Appeal Board are Monica Malkowski, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,416  
**IMPR.:** \$105,906  
**TOTAL:** \$113,322

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story townhouse of frame exterior construction with 2,532 square feet of living area. The dwelling was constructed in 2003. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 441 square feet of building area. The property has an approximately 3,485 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction each containing 1,755 square feet of living area. The homes were built in 2005 or 2006. Each dwelling has central air conditioning, a fireplace, a basement with one having finished area, and a garage containing 462 square feet of building area. The parcels range in size

from 3,019 to 5,981 square feet of land area. The comparables sold from March 2019 to April 2020 for prices ranging from \$191,000 to \$220,000 or from \$108.83 to \$125.36 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$97,050, for an estimated market value of \$291,179 or \$115.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,322. The subject's assessment reflects a market value of \$340,818 or \$134.60 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood. The comparables consist of two-story townhouses of wood siding or aluminum siding exterior construction containing either 1,755 or 1,836 square feet of living area. The dwellings were built from 2004 to 2008. Each dwelling has central air conditioning, one fireplace, a basement with two having finished area, and a garage containing either 420 or 462 square feet of building area. The parcels range in size from 3,040 to 5,811 square feet of land area. The comparables sold from February 2019 to August 2021 for prices ranging from \$228,000 to \$267,500 or from \$124.18 to \$152.42 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences dwelling size. Nevertheless, the Board gives less weight to the appellant's comparables #2 and #3, as well as board of review comparable #3, which sold less proximate to the January 1, 2021 valuation date at issue in this appeal.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales #1, #2, and #4, which sold proximate to the valuation date at issue and are similar to the subject in age, location, and some features. These most similar comparables sold from April 2020 to August 2021 for prices ranging from \$191,000 to \$267,500 or from \$108.83 to \$152.42 per square foot of living area, including land. The subject's assessment reflects a market value of \$340,818 or \$134.60 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis. While the subject's estimated market value is above the range overall, the Board finds this logical given the subject's larger dwelling compared to the best

comparables. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
