

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yuanjie Li
DOCKET NO.: 21-04302.001-R-1
PARCEL NO.: 10-34-302-019

The parties of record before the Property Tax Appeal Board are Yuanjie Li, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,455
IMPR.: \$252,797
TOTAL: \$295,252

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and stone exterior construction with 6,595 square feet of living area. The dwelling was constructed in 2008. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 1,192 square feet of building area. The property has a 40,001 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .96 of a mile of the subject. The comparables consist of two-story dwellings ranging in size from 5,970 to 6,054 square feet of living area. The homes were built from 2005 to 2008. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage containing either 726 or 902 square feet of building area. The parcels range in size from 19,846 to 24,084 square feet of land

area. The comparables sold from January 2020 to January 2021 for prices ranging from \$699,500 to \$755,000 or from \$117.17 to \$125.75 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$259,377, for an estimated market value of \$778,209 or \$118.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$295,252. The subject's assessment reflects a market value of \$887,976 or \$134.64 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .75 of a mile of the subject, two of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of stone and Dryvit, brick, or brick and wood siding exterior construction ranging in size from 4,628 to 6,592 square feet of living area. The dwellings were built from 1998 to 2011, with comparable #2 having an effective age of 2001. Each dwelling has central air conditioning, one to four fireplaces, a basement with three having finished area, and a garage ranging in size from 870 to 1,477 square feet of building area. The parcels range in size from 40,040 to 83,620 square feet of land area. The comparables sold from April 2020 to October 2021 for prices ranging from \$685,000 to \$1,020,000 or from \$134.25 to \$179.83 per square foot of living area, including land. The board of review also submitted a Multiple Listing Service sheet for comparable #1. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparable #4, which differs from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sales #1 through #3, which are similar to the subject in location, age, dwelling size, and some features. These most similar comparables sold for prices ranging from \$699,500 to \$1,020,000 or from \$117.17 to \$179.83 per square foot of living area, including land. Excluding the high and low sales from the analysis results in a tighter range of sale prices from \$730,000 to \$889,000 or from \$120.58 to \$162.05 per square foot of living area, including land. The subject's assessment reflects a market value of \$887,976 or \$134.64 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for

differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

DISSENTING: _____

CERTIFICATION

As Clerk of the Illinois Property Tax Appeal Board and the keeper of the Records thereof, I do hereby certify that the foregoing is a true, full and complete Final Administrative Decision of the Illinois Property Tax Appeal Board issued this date in the above entitled appeal, now of record in this said office.

Date:

December 19, 2023

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
