

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jim Esperson
DOCKET NO.: 21-04304.001-R-1
PARCEL NO.: 10-35-102-004

The parties of record before the Property Tax Appeal Board are Jim Esperson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,534
IMPR.: \$159,699
TOTAL: \$206,233

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,572 square feet of living area. The dwelling was constructed in 1986. Features of the home include an unfinished basement, central air conditioning, three fireplaces, an inground swimming pool, and a garage containing 739 square feet of building area.¹ The property has an approximately 167,620 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .67 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings ranging in size from 3,858 to 4,743 square feet of living area. The homes were built

from 1986 to 1992. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 888 to 1,017 square feet of building area. The parcels range in size from 47,502 to 82,585 square feet of land area. The comparables sold in September 2019 or September 2020 for prices ranging from \$420,000 to \$568,900 or from \$88.55 to \$147.46 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$184,386, for an estimated market value of \$553,213 or \$121.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$206,233. The subject's assessment reflects a market value of \$620,250 or \$135.66 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .61 of a mile of the subject, two of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,446 to 6,592 square feet of living area. The dwellings were built from 1993 to 2003. Each dwelling has central air conditioning, four or six fireplaces, a basement with three having finished area, and a garage ranging in size from 1,022 to 1,286 square feet of building area. The parcels range in size from 83,620 to 110,640 square feet of land area. The comparables sold from June 2020 to August 2021 for prices ranging from \$722,000 to \$1,050,000 or from \$134.25 to \$162.39 per square foot of living area, including land. The board of review also argued that the appellant's comparables have parcels of less than two acres and that the board of review comparables are closer to the subject in site size. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #2 and #3, which sold less proximate to the January 1, 2021 valuation date at issue in this appeal. The Board also gives reduced weight to board of review comparables #1 through #3, which differ significantly from the subject in dwelling size.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sale #4, which sold more proximate to the valuation date at issue and are similar to the subject in dwelling size, location, and some features. These most similar

comparables sold for prices of \$420,000 and \$722,000 or for \$88.55 and \$162.39 per square foot of living area, including land. The subject's assessment reflects a market value of \$620,250 or \$135.66 per square foot of living area, including land, which is bracketed by the best comparable sales in this record and appears well supported given the subject's larger site and inground swimming pool. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
