

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sinara Ferreira  
DOCKET NO.: 21-04332.001-R-1  
PARCEL NO.: 11-03-201-004

The parties of record before the Property Tax Appeal Board are Sinara Ferreira, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,373  
**IMPR.:** \$123,722  
**TOTAL:** \$189,095

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,655 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement, central air conditioning, a fireplace, and a 741 square foot garage. The property has a 28,010 square foot site and is located in Waukegan, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.60 of a mile from the subject. The parcels range in size from 38,942 to 45,175 square feet of land area and are improved with 2-story homes of frame and brick exterior construction ranging in size from 3,418 to 4,012 square feet of living area. The dwellings were built in 1986 or 1987. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 612 to 858

square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold from July 2020 to January 2021 for prices ranging from \$444,900 to \$710,000 or from \$120.26 to \$196.57 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,095. The subject's assessment reflects a market value of \$568,707 or \$155.60 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.43 of a mile from the subject, two of which are in the same assessment neighborhood code as the subject. The parcels range in size from 29,380 to 40,490 square feet of land area and are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 3,206 to 4,669 square feet of living area. The dwellings were built from 1992 to 2005. Each home has a basement, one of which has finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 756 to 854 square feet of building area. Comparables #2 and #4 each have an inground swimming pool. The comparables sold from September 2020 to November 2021 for prices ranging from \$586,300 to \$975,000 or from \$182.88 to \$244.24 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #2 through #5, due to substantial differences from the subject in dwelling size, basement finish, and/or inground swimming pool amenity.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparable #1, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$444,900 to \$975,000 or from \$120.26 to \$244.24 per square foot of living area, including land. The subject's assessment reflects a market value of \$568,707 or \$155.60 per square foot of living area, including land, which is within the range established by the best comparable sales in this record and is supported by the most similar comparable, the board of review's comparable #1, which is located in the subject's neighborhood. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
