

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Wiggins  
DOCKET NO.: 21-04345.001-R-1  
PARCEL NO.: 11-07-405-016

The parties of record before the Property Tax Appeal Board are Matthew Wiggins, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$53,364  
**IMPR.:** \$105,670  
**TOTAL:** \$159,034

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame with brick exterior construction with 2,353 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement, central air conditioning, a fireplace, and a 400 square foot garage. The property has an 11,598 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.23 of a mile from the subject. The parcels range in size from 11,251 to 20,514 square feet of land area and are improved with 2-story homes of frame with brick exterior construction ranging in size from 2,317 to 2,500 square feet of living area. The dwellings were built in 1987 or 1988. Each home has a basement, one of which is a walkout, central air conditioning, and a 400 square foot garage.

Four homes each have a fireplace. The comparables sold from February 2020 to February 2021 for prices ranging from \$425,000 to \$490,000 or from \$183.43 to \$210.75 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,034. The subject's assessment reflects a market value of \$478,298 or \$203.27 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.15 of a mile from the subject. The parcels range in size from 9,940 to 12,400 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,334 to 2,571 square feet of living area. The dwellings were built in 1987 or 1988. Each home has a basement, central air conditioning, a fireplace, and a 400 or a 483 square foot garage. The comparables sold from April to December 2021 for prices ranging from \$525,000 to \$585,617 or from \$204.20 to \$227.78 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration, which are similar to the subject in dwelling size, age, location, and features but have varying degrees of similarity to the subject in lot size. These comparables sold for prices ranging from \$425,000 to \$585,617 or from \$183.43 to \$227.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$478,298 or \$203.27 per square foot of living area, including land, which is within the range established by the comparables in this record. Based on this evidence and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
