

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sam Thomas
DOCKET NO.: 21-04353.001-R-1
PARCEL NO.: 11-11-101-020

The parties of record before the Property Tax Appeal Board are Sam Thomas, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$77,415
IMPR.: \$197,895
TOTAL: \$275,310

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,002 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement, central air conditioning, a fireplace, and a 655 square foot garage. The property has a 42,642 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.11 of a mile from the subject. The parcels range in size from 39,501 to 40,423 square feet of land area and are improved with 2-story homes of brick and frame exterior construction ranging in size from 4,113 to 4,771 square feet of living area. The dwellings were built from 1991 to 2005. Each home has a basement, central air conditioning, two or three fireplaces, and a garage ranging in size from 792 to 1,313 square feet of building area. The comparables sold from August 2019 to October

2020 for prices ranging from \$545,500 to \$1,200,000 or from \$116.01 to \$251.52 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$275,310. The subject's assessment reflects a market value of \$828,000 or \$206.90 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.96 of a mile from the subject. Comparable #1 is the same property as the appellant's comparable #3. The parcels range in size from 21,540 to 45,440 square feet of land area and are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,251 to 4,774 square feet of living area. The dwellings were built from 1993 to 2005. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 704 to 1,265 square feet of building area. Comparable #5 has an inground swimming pool. The comparables sold from October 2020 to July 2021 for prices ranging from \$725,000 to \$1,200,000 or from \$185.52 to \$251.36 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 which sold less proximate in time to the assessment date than the other comparables in this record. The Board gives less weight to the appellant's comparable #3/board of review's comparable #1 and the board of review's comparables #3 and #4, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the board of review's comparables #2 and #5, which sold more proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, and features, although these comparables have smaller lots than the subject and one comparable has an inground swimming pool unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$725,000 and \$818,750 or for \$185.52 and \$210.53 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$828,000 or \$206.90 per square foot of living area, including land, which is above the best comparable sales in terms of total market value but

bracketed by the best comparables on a price per square foot basis. Given the subject's larger and newer home compared to the best comparables and larger lot size compared to the best comparables, the subject's assessment appears to be well supported. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
