

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Haan
DOCKET NO.: 21-04355.001-R-1
PARCEL NO.: 11-11-205-001

The parties of record before the Property Tax Appeal Board are Andrew Haan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,093
IMPR.: \$150,702
TOTAL: \$217,795

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,177 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement, central air conditioning, a fireplace and a 693 square foot garage. The property has a 22,796 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood code and within 0.46 of a mile from the subject. The parcels range in size from 22,479 to 26,876 square feet of land area and are improved with 2-story homes of frame, brick, and brick and frame exterior construction ranging in size from 2,954 to 3,744 square feet of living area. The dwellings were built from 1996 to 2000 with one having an effective age of 2001. Each home has a basement, central air conditioning, a fireplace, and a

garage ranging in size from 546 to 651 square feet of building area. Comparable #4 has an inground swimming pool. The comparables sold in July or September 2020 for prices ranging from \$580,000 to \$648,000 or from \$165.68 to \$208.19 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$217,795. The subject's assessment reflects a market value of \$655,023 or \$206.18 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales where comparables #2 and #3 are the same properties as the appellant's comparables #3 and #4, respectively. Comparable #1 is located with the subject's assessment neighborhood code and within 0.10 of a mile from the subject. This comparable has a 22,502 square foot site that is improved with a 2-story home of brick and frame exterior construction with 3,198 square feet of living area. The dwelling was built in 1998 and features a basement, central air conditioning, a fireplace, and a 620 square foot garage. This property sold in August 2020 for a price of \$663,750 or \$207.55 per square foot of living area, including land. The board of review asserted the two common comparables have inferior locations to the subject and computed adjustments for this difference. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

As initial matter, the Board notes the board of review contended the two common comparables have inferior locations to the subject. However, the board of review presented no evidence and no explanation to support this contention. Thus, the Board gave no weight to this argument.

The record contains a total of five comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the appellant's comparable #4/board of review's comparable #3, due to substantial differences from the subject in dwelling size and/or inground swimming pool amenity.

The Board finds the best evidence of market value to be the appellant's comparable #3/board of review's comparable #2 and the board of review's comparable #1, which are similar to the subject in dwelling size, age, location, site size, and features. These two most similar comparables sold for prices of \$580,000 and \$663,750 or for \$180.69 and \$207.55 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$655,023 or \$206.18 per square foot of living area, including land, which is bracketed by the

best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
