

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark McAuliffe
DOCKET NO.: 21-04356.001-R-1
PARCEL NO.: 11-08-307-014

The parties of record before the Property Tax Appeal Board are Mark McAuliffe, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,997
IMPR.: \$117,558
TOTAL: \$173,555

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.75-story dwelling of wood siding exterior construction with 2,976 square feet of living area.¹ The dwelling was constructed in 1988. Features of the home include a basement, central air conditioning, a fireplace, and a 528 square foot garage. The property has a 10,547 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.26 of a mile from the subject. The parcels range in size from 10,048 to 21,158 square feet of land area and are improved with 2-story homes of frame or frame with brick exterior construction ranging in size

¹ The parties differ regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card that contains a sketch with measurements of the subject home.

from 2,744 to 3,538 square feet of living area. The dwellings were built from 1987 to 1989. Each home has a basement, central air conditioning, one or three fireplaces, and a garage ranging in size from 430 to 495 square feet of building area. The comparables sold from February 2020 to February 2021 for prices ranging from \$445,000 to \$528,000 or from \$138.50 to \$176.88 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,555. The subject's assessment reflects a market value of \$521,970 or \$175.39 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.25 of a mile from the subject. Comparable #2 is the same property as the appellant's comparable #2. The parcels range in size from 10,050 to 17,060 square feet of land area and are improved with 1.5-story or 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,799 to 3,681 square feet of living area. The dwellings were built from 1987 to 1989. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 462 to 624 square feet of building area. The comparables sold from August 2020 to May 2021 for prices ranging from \$528,000 to \$640,000 or from \$173.87 to \$202.04 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparables #1, #3, #4, and #5, due to substantial differences from the subject in dwelling size or lot size.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the appellant's comparable #4/board of review's comparable #2, which are similar to the subject in dwelling size, age, location, lot size, and features. These two most similar comparables sold for prices of \$485,000 and \$528,000 or for \$175.98 and \$176.88 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$521,970 or \$175.39 per square foot of living area, including land, which is bracketed by the best comparable sales in terms of total market value and below the best comparables on a price per square foot

basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
