

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Schneible
DOCKET NO.: 21-04371.001-R-1
PARCEL NO.: 11-14-201-007

The parties of record before the Property Tax Appeal Board are William Schneible, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$77,415
IMPR.: \$174,142
TOTAL: \$251,557

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,975 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement, central air conditioning, a fireplace and an 811 square foot garage. The property has a 40,090 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .30 of a mile from the subject property. The comparables have sites that range in size from 39,423 to 45,440 square feet of land area. The comparables are improved with two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,780 to 4,393 square feet of living area. The dwellings were

built from 1993 to 1996. Each comparable has a basement, central air conditioning, one or three fireplaces and a garage ranging in size from 704 to 888 square feet of building area. The comparables sold in July or August 2019 for prices ranging from \$712,000 to \$795,000 or from \$180.21 to \$193.12 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$251,557. The subject's assessment reflects a market value of \$756,562 or \$190.33 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .42 of a mile from the subject property. The comparables have sites that range in size from 41,510 to 64,340 square feet of land area. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,171 to 5,039 square feet of living area. The dwellings were built from 1993 to 2001 with comparables #4 and #5 having reported effective ages of 1997 and 2007, respectively. The comparables each have a basement, one of which is a walk-out. Each comparable has central air conditioning and a garage ranging in size from 640 to 1,122 square feet of building area. Four comparables each have one to three fireplaces. The comparables sold from February 2020 to August 2021 for prices ranging from \$650,000 to \$877,000 or from \$174.04 to \$216.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables due to their sale dates occurring in 2019, less proximate in time to the lien date at issue than the comparable sales submitted by the board of review. The Board has given reduced weight to board of review comparables #4 and #5, which differ from the subject in dwelling size.

The Board finds the best evidence of market value to be board of review comparables #1, #2 and #3, which sold more proximate in time to the assessment date at issue and are similar to the subject in location, dwelling size, design, age and some features. These most similar comparables sold from June to August 2021 for prices ranging from \$764,900 to \$840,000 or from \$210.53 to \$216.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$756,562 or \$190.33 per square foot of living area, including land,

which falls below the range established by the best comparable sales in the record. Based on this evidence, and after considering adjustments to the best comparables for differences, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
