

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Gerdes
DOCKET NO.: 21-04379.001-R-1
PARCEL NO.: 11-16-108-100

The parties of record before the Property Tax Appeal Board are Paul Gerdes, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,664
IMPR.: \$115,830
TOTAL: \$158,494

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,445 square feet of living area. The dwelling was constructed in 2018 but has a reported effective age of 2017. Features of the home include a concrete slab,¹ central air conditioning and a 440 square foot garage. The property has a .041-acre site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .08 of a mile from the subject property. Each comparable has a .041-acre site that is improved with a two-story dwelling of frame

¹ The subject's property record card provided by the board of review revealed the subject dwelling has a concrete slab foundation, which was not refuted by the appellant.

exterior construction containing 2,445 square feet of living area. The dwellings were each built in 2020 but have a reported effective age of 2017. The comparables each have central air conditioning and a 440 square foot garage. The comparables sold from February to May 2020 for prices ranging from \$445,471 to \$482,983 or from \$182.20 to \$197.54 per square foot of living area, including land. The appellant also disclosed the subject was purchased in July 2018 for \$527,607 or \$215.79 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$150,760, which would reflect a market value of \$452,325 or \$185.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$158,494. The subject's assessment reflects a market value of \$476,674 or \$194.96 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales that have the same assessment neighborhood code as the subject and are located within .08 of a mile from the subject property. Each comparable has a .041-acre site that is improved with a two-story dwelling of frame exterior construction containing either 2,445 or 2,550 square feet of living area. The dwellings were built from 2017 to 2020, each having a reported effective age of 2017. The comparables each have central air conditioning and either a 430 or a 440 square foot garage. The comparables sold from February 2020 to August 2021 for prices ranging from \$499,900 to \$574,258 or from \$196.04 to \$234.87 per square foot of living area, including land. The board of review also disclosed the subject was purchased in July 2018 for \$527,607 or \$215.79 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board finds all of the comparables are similar to the subject in location and similar, if not identical to the subject in dwelling size, design, age and some features. The comparables sold from February 2020 to August 2021 for prices ranging from \$445,471 to \$574,258 or from \$182.20 to \$234.87 square feet of living area, including land. The subject's assessment reflects a market value of \$476,674 or \$194.96 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
