

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Ugland  
DOCKET NO.: 21-04383.001-R-1  
PARCEL NO.: 11-15-407-003

The parties of record before the Property Tax Appeal Board are Timothy Ugland, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$51,748  
**IMPR.:** \$128,488  
**TOTAL:** \$180,236

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 3,002 square feet of living area. The dwelling was constructed in 1974. Features of the home include a basement, central air conditioning, two fireplaces and a 768 square foot garage. The property has an approximately 40,087 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that are located from .42 of a mile to 1.22 miles from the subject property and one of which has the same assessment neighborhood code as the subject. The comparables have sites that range in size from 40,051 to 42,688 square feet of land area. The comparables are improved with a one-story dwellings of frame exterior construction ranging in size from 2,512 to 3,285 square feet of living area. The dwellings were

built from 1956 to 1977, with comparables #1 and #2 having reported effective ages of 1983 and 1963, respectively. Each comparable has a basement, central air conditioning, one to three fireplaces and a garage ranging in size from 462 to 576 square feet of building area. Comparable #2 has an inground swimming pool. The comparables sold from March 2020 to February 2021 for prices ranging from \$475,000 to \$590,000 or from \$179.60 to \$207.69 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$169,096, which would reflect a market value of \$507,339 or \$169.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$180,236. The subject's assessment reflects a market value of \$542,063 or \$180.57 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review information on four comparable sales that are located from .29 of a mile to 1.22 miles from the subject property and two of which have the same assessment neighborhood code as the subject. The board of review's comparables #3 and #4 are the same properties as the appellant's comparables #1 and #3. The comparables have sites that range in size from 21,340 to 86,250 square feet of land area. The comparables are improved with one-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,576 to 3,285 square feet of living area. The dwellings were built from 1970 to 1977 with comparables #1, #2 and #3 having reported effective ages of 1981, 1973 and 1983, respectively. Comparable #2 has a crawl space foundation and three comparables each have a basement. Each comparable has central air conditioning, one to three fireplaces and a garage ranging in size from 462 to 1,134 square feet of building area. The comparables sold from August 2020 to February 2021 for prices ranging from \$517,500 to \$650,000 or from \$172.39 to \$210.36 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales for the Board's consideration, as two sales were common to the parties. The Board has given less weight to the appellant's comparable #2 due to its older dwelling age and inground swimming pool when compared to the subject. The Board has given reduced weight to board of review comparable #1 due to its substantially larger site size when compared to the subject.

The Board finds the best evidence of market value to be the parties' two common comparables, along with board of review comparable #2. The Board finds these three comparables have varying degrees of similarity to the subject in location, site size, dwelling size, design, age and features. The comparables sold from August 2020 to February 2021 for prices ranging from \$535,000 to \$650,000 or from \$179.60 to \$210.36 square feet of living area, including land. The subject's assessment reflects a market value of \$542,063 or \$180.57 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
