

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: June Oshiro
DOCKET NO.: 21-04400.001-R-1
PARCEL NO.: 14-17-214-015

The parties of record before the Property Tax Appeal Board are June Oshiro, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,389
IMPR.: \$188,559
TOTAL: \$230,948

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,072 square feet of living area.¹ The dwelling was constructed in 2005. Features of the home include a basement, central air conditioning, two fireplaces and a 756 square foot garage. The property has an approximately 15,246 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .83 of a mile from the subject property.

¹ The parties differ as to the description of the subject dwelling's basement and to the subject's site size. The Board finds the best description of the subject is found in the subject's property record card provided by the board of review.

The comparables have sites that range in size from 15,260 to 15,577 square feet of land area. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 4,124 to 4,510 square feet of living area. The dwellings were built from 2003 to 2005. The comparables each have a basement, two of which are look-outs. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 654 to 718 square feet of building area. The comparables sold in June or October 2020 for prices ranging from \$560,000 to \$615,000 or from \$135.25 to \$142.23 per square foot of living area, including land.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$192,722, which would reflect a market value of \$578,224 or \$142.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$230,948. The subject's assessment reflects a market value of \$694,580 or \$170.57 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .87 of a mile from the subject property. The comparables have sites that range in size from 15,250 to 20,040 square feet of land area. The comparables are improved with 1.5-story or 2-story dwellings of brick exterior construction ranging in size from 3,949 to 4,563 square feet of living area. The dwellings were built from 2004 to 2009. Each comparable has a basement, central air conditioning, one to three fireplaces and a garage ranging in size from 766 to 937 square feet of building area. The comparables sold in June or August 2021 for prices ranging from \$684,900 to \$800,000 or from \$171.44 to \$177.26 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board finds all the comparables are similar to the subject in location, dwelling size, age and some features. The Board finds all the comparables are similar to the subject in location, dwelling size, design, age and some features. The comparables sold from June 2020 to August 2021 for prices ranging from \$560,000 to \$800,000 or from \$135.25 to \$177.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$694,580 or \$170.57

per square foot of living area, including land, which falls within the range established by the comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
