

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeff Tuecke
DOCKET NO.: 21-04401.001-R-1
PARCEL NO.: 11-19-307-025

The parties of record before the Property Tax Appeal Board are Jeff Tuecke, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,064
IMPR.: \$73,481
TOTAL: \$91,545

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,135 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement, central air conditioning and a 516 square foot garage. The property has an approximately 6,139 square foot site and is located in Mundelein, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that are located from .13 of a mile or 1.04 miles from the subject property and one comparable has the same assessment neighborhood code as the subject. The comparables have sites that range in size from 7,422 to 7,565 square feet of land area. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 1,759 to 2,020 square feet of living area. The dwellings were

built from 1973 to 1980. Each comparable has a basement, central air conditioning, a fireplace and either a 399 or a 440 square foot garage. The comparables sold from March to December 2020 for prices ranging from \$234,900 to \$255,000 or from \$126.24 to \$133.54 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$88,949, which would reflect a market value of \$266,874 or \$125.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$91,545. The subject's assessment reflects a market value of \$275,323 or \$128.96 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales that are located within .87 of a mile from the subject property and one comparable has the same assessment neighborhood code as the subject. The board of review's comparable #1 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 7,560 to 10,730 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 1,759 to 2,239 square feet of living area. The dwellings were built from 1969 to 1996 with comparable #4, the oldest comparable having a reported effective age of 1972. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 399 to 719 square feet of building area. The comparables sold from October 2020 to July 2021 for prices ranging from \$234,900 to \$389,000 or from \$133.54 to \$173.74 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparable #3/board of review comparable #1 and board of review comparable #4 which differ from the subject in age and/or dwelling size.

The Board finds the best evidence of market value to be the parties' remaining comparables which are relatively similar to the subject in location, dwelling size, design, age and some features. These four comparables sold from March 2020 to July 2021 for prices ranging from \$245,000 to \$389,000 or from \$126.24 to \$173.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$275,323 or \$128.96 per square foot of living

area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
