

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Duncan
DOCKET NO.: 21-04403.001-R-1
PARCEL NO.: 11-17-203-002

The parties of record before the Property Tax Appeal Board are Mary Duncan, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$77,415
IMPR.: \$89,374
TOTAL: \$166,789

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 2,603 square feet of living area. The dwelling was constructed in 1978. Features of the home include a basement, central air conditioning, a fireplace and a 483 square foot garage. The property has a 17,565 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .06 of a mile from the subject property. The comparables have sites that range in size from 16,777 to 17,590 square feet of land area. The comparables are improved with two-story dwellings of brick and frame exterior construction ranging in size from 2,603 to 2,768 square feet of living area. The dwellings were built in 1977

or 1978 with comparable #3 having a reported effective age of 1990. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 462 to 498 square feet of building area. The comparables sold from June 2019 to July 2020 for prices ranging from \$425,000 to \$569,000 or from \$155.22 to \$205.56 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$155,297, which would reflect a market value of \$465,938 or \$179.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$166,789. The subject's assessment reflects a market value of \$501,621 or \$192.71 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that are located within .35 of a mile from the subject property. The board of review's comparable #1 has the same assessment neighborhood code as the subject and is the same property as the appellant's comparable #3. The comparables have sites that range in size from 15,020 to 24,060 square feet of land area. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,366 to 3,306 square feet of living area. The dwellings were built in 1977 or 1982 with comparables #1, #4 and #5 having reported effective ages of 1990, 1989 and 1985, respectively. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 420 to 897 square feet of building area. The comparables sold from July 2020 to May 2021 for prices ranging from \$569,000 to \$750,000 or from \$201.15 to \$275.53 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparables #1 and #2 due to their sale dates occurring in 2019, less proximate in time to the lien date at issue than the remaining sales in the record. The Board has given reduced weight to board of review comparable #5 due to its larger dwelling size, when compared to the subject.

The Board finds the best evidence of market value to be the parties' common comparable, along with board of review comparables #2, #3 and #4, which sold more proximate in time to the assessment date at issue and are overall most similar to the subject in location, dwelling size, design, age and some features. These four comparables sold from July 2020 to May 2021 for

prices ranging from \$569,000 to \$750,000 or from \$205.56 to \$275.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$501,621 or \$192.71 per square foot of living area, including land, which falls well below the range established by the best comparables in the record. Based on this record, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
