

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Grazyna Przybysz
DOCKET NO.: 21-04420.001-R-1
PARCEL NO.: 14-33-203-009

The parties of record before the Property Tax Appeal Board are Grazyna Przybysz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,408
IMPR.: \$160,300
TOTAL: \$199,708

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,665 square feet of living area. The dwelling was constructed in 1977. Features of the home include a basement, central air conditioning, one fireplace and a 754 square foot garage. The property has an approximately 38,912 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.58 of a mile from the subject property. The comparables have sites that range in size from 37,142 to 39,966 square feet of land area and are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 2,958 to 3,731 square feet of living area. The dwellings were built in either 1977 or 1986. Each comparable has a basement, central air conditioning, one fireplace and a

garage ranging in size from 750 to 858 square feet of building area. The properties sold in July or October 2020 for prices ranging from \$400,000 to \$575,000 or from \$124.96 to \$194.39 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$177,124 which reflects a market value of \$531,425 or \$145.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,708. The subject's assessment reflects a market value of \$600,626 or \$163.88 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.06 of a mile to 1.35 miles from the subject property. The comparables have sites that range in size from 34,880 to 57,950 square feet of land area and are improved with 1.5-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 3,018 to 3,535 square feet of living area. The homes were built from 1976 to 1988. Each comparable has a basement, central air conditioning, one fireplace and a garage ranging in size from 725 to 821 square feet of building area. Comparables #3 and #4 each have an inground swimming pool. The properties sold from June 2020 to October 2021 for prices ranging from \$565,000 to \$799,900 or from \$176.51 to \$243.54 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to appellant comparable #1 which, based on its considerably lower sale price per square foot, appears to be an outlier when compared to other sales in the record. The Board gives less weight to appellant comparable #3 which is dissimilar in dwelling size when compared to the subject. The Board gives less weight to board of review comparables #3, #4 and #5 which feature an inground swimming pool unlike the subject and/or are located more than one mile from the subject property.

The Board finds the best evidence of market value to be appellant comparable #2 along with board of review comparables #1 and #2 which are more similar to the subject in location, age, design, dwelling size and other features. These best comparables sold from July 2020 to October 2021 for prices ranging from \$540,000 to \$590,000 or from \$144.73 to \$179.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$600,626 or

\$163.88 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record on an overall market value basis and within the range on a per square foot basis. Given the subject's dwelling size, relative to two of the best comparables, a higher overall market value appears to be supported. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
