

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: A Pisha
DOCKET NO.: 21-04430.001-R-1
PARCEL NO.: 14-36-202-054

The parties of record before the Property Tax Appeal Board are A Pisha, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,932
IMPR.: \$177,684
TOTAL: \$230,616

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,095 square feet of living area. The dwelling was constructed in 1991. Features of the home include a basement, central air conditioning, one fireplace and a 924 square foot garage. The property has an approximately 59,550 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.64 of a mile from the subject property. The comparables have sites that range in size from 40,023 to 88,615 square feet of land area and are improved with two-story dwellings of brick or frame exterior construction that range in size from 4,092 to 4,750 square feet of living area. The dwellings were built from 1973 to 2000, where the oldest comparable has an effective age of 1978. Each

comparable has a basement, central air conditioning, one to three fireplaces and a garage ranging in size from 482 to 1,161 square feet of building area. Comparable #1 has an inground swimming pool and gazebo. The properties sold from December 2019 to November 2020 for prices ranging from \$487,500 to \$764,500 or from \$105.63 to \$160.95 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$188,351 which reflects a market value of \$565,110 or \$138.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$230,616. The subject's assessment reflects a market value of \$693,582 or \$169.37 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.42 of a mile from the subject property. Board of review comparable #2 is the same property as the appellant's comparable #1. The comparables have sites that range in size from 40,080 to 61,790 square feet of land area and are improved with two-story dwellings of brick, wood siding, or brick and wood siding exterior construction that range in size from 3,742 to 4,750 square feet of living area. The homes were built from 1987 to 2000. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 690 to 960 square feet of building area. Comparables #2 and #5 each have an inground swimming pool. The properties sold from October 2020 to July 2021 for prices ranging from \$672,000 to \$810,000 or from \$160.95 to \$207.59 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparables #1, #2 and #4 along with board of review comparables #2 and #5, including the common property, which differ from the subject in age, site size, feature an inground swimming pool and/or sold in 2019, less proximate in time to the January 1, 2021 assessment date than other properties in the record.

The Board finds the best evidence of market value to be appellant comparable #3 and board of review comparables #1, #3 and #4 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from October 2020 to June 2021 for prices ranging from \$560,000 to \$780,000 or from \$124.69 to \$197.92 per square foot of living

area, including land. The subject's assessment reflects a market value of \$693,582 or \$169.37 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
