

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Randy Ritz
DOCKET NO.: 21-04509.001-R-1
PARCEL NO.: 06-18-426-030

The parties of record before the Property Tax Appeal Board are Randy Ritz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,744
IMPR.: \$38,604
TOTAL: \$47,348

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with vinyl siding exterior construction containing 1,448 square feet of living area. The dwelling was constructed in 1978. Features of the home include a crawl-space foundation, central air conditioning and a detached 576 square foot garage. The property has an approximately 5,380 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on 12 comparable properties that are located from .36 of a mile to 2.09 miles from the subject. The comparables are improved with 2-story dwellings ranging in size from 1,388 to 1,508 square feet of living area. The dwellings were built from 1940 to 1978, with homes built in 1940, 1942 and 1946 having 1961, 1970 and 1963 effective ages, respectively. Four comparables have central

air conditioning and each comparable has a garage ranging in size from 280 to 528 square feet of building area. The comparables have improvement assessments ranging from \$32,784 to \$36,828 or from \$22.19 to \$25.43 per square foot of living area. Based on this evidence the appellant requested the subject's improvement assessment be reduced to \$36,012 or \$24.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,348. The subject property has an improvement assessment of \$38,604 or \$26.66 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located from .14 to .79 of a mile from the subject. The comparables are improved with 2-story dwellings with vinyl siding exterior construction containing 1,448 square feet of living area. The dwellings were built from 1975 to 1978, with the home built in 1975 having a 1981 effective age. Two comparables have basements, one of which has finished area, and three comparables have crawl-space foundations. Four comparables have central air conditioning, three comparables each have a fireplace, and each comparable has a detached garage ranging in size from 484 to 676 square feet of building area. The comparables have improvement assessments ranging from \$39,976 to \$42,791 or from \$27.61 to \$29.55 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 17 comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3, and #5 through #12, due to their lack of central air conditioning and/or their location over a mile from the subject. The Board also gives less weight to the board of review's comparables #4 and #5, due to their basement foundation when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables have improvement assessments ranging from \$33,466 to \$40,253 or from \$22.19 to \$27.80 per square foot of living area. The subject's improvement assessment of \$38,604 or \$26.66 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
