

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Miklos Bende  
DOCKET NO.: 21-04527.001-R-1  
PARCEL NO.: 14-22-201-156

The parties of record before the Property Tax Appeal Board are Miklos Bende, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$44,849  
**IMPR.:** \$286,719  
**TOTAL:** \$331,568

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 5,202 square feet of living area. The dwelling was constructed in 2006. Features of the home include an unfinished lookout basement, central air conditioning, three fireplaces, an attached 1,093 square foot garage and a balcony. The property has an approximately 45,740 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable properties that are located within .42 of a mile from the subject. The comparables have sites ranging in size from 33,241 to 53,578 square feet of land area that are improved with 2-story dwellings of frame or brick exterior construction ranging in size from 4,308 to 5,843 square feet of living area. The dwellings were built in 2007 or 2018. The comparables have unfinished basements, one of which is a lookout style, central

air conditioning, one, two or four fireplaces, and an attached garage ranging in size from 864 to 1,098 square feet of building area. The comparables sold from January 2020 to March 2021 for prices ranging from \$849,900 to \$970,000 or from \$157.45 to \$197.28 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$331,568. The subject's assessment reflects a market value of \$997,197 or \$191.69 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located within .96 of a mile from the subject. The comparables have sites ranging in size from 23,090 to 121,970 square feet of land area that are improved with 2-story dwellings of brick or wood siding and brick exterior construction ranging in size from 4,359 to 5,625 square feet of living area. The dwellings were built from 2000 to 2007. The comparables have unfinished basements, central air conditioning, two, three or five fireplaces, and an attached garage ranging in size from 753 to 1,047 square feet of building area. One comparable has a swimming pool. The comparables sold from June 2020 to August 2021 for prices ranging from \$867,500 to \$1,280,000 or from \$199.01 to \$228.86 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration, none of which are particularly similar to the subject. Nevertheless, the Board gives less weight to the appellant's comparables #1 and #3, due to their newer dwelling and/or their significant difference in dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #4 and #5, due to their location nearly a mile from the subject or their significantly smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from June 2020 to August 2021 for prices ranging from \$970,000 to \$1,280,000 or from \$179.60 to \$228.86 per square foot of living area, including land. The subject's assessment reflects a market value of \$997,197 or \$191.69 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
