

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Wang
DOCKET NO.: 21-04530.001-R-1
PARCEL NO.: 14-22-309-046

The parties of record before the Property Tax Appeal Board are James Wang, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$59,553
IMPR.: \$212,931
TOTAL: \$272,484

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,915 square feet of living area.¹ The dwelling was constructed in 2004. Features of the home include an unfinished walkout basement, central air conditioning, two fireplaces and an attached 878 square foot garage. The property has an approximately 23,520 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .55 of a mile from the subject. The comparables have sites ranging in size from 20,978 to 45,100 square feet of land area that are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 3,234 to 4,294 square feet of living area. The dwellings were

built from 1991 to 2000, with a home built in 1993 having a 1994 effective age. The comparables have basements, one of which has finished area,² central air conditioning, one or two fireplaces, and an attached garage ranging in size from 660 to 783 square feet of building area. The comparables sold from July to December 2020 for prices ranging from \$650,000 to \$775,000 or from \$160.69 to \$200.99 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$272,484. The subject's assessment reflects a market value of \$819,501 or \$209.32 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .26 of a mile to 1.10 miles from the subject. The comparables have sites ranging in size from 21,100 to 62,090 square feet of land area that are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,545 to 4,092 square feet of living area. The dwellings were built from 1997 to 2015. The comparables have unfinished basements, one of which has a walkout, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 768 to 936 square feet of building area. Two comparables each have a swimming pool. The comparables sold from February to December 2021 for prices ranging from \$860,000 to \$923,800 or from \$211.39 to \$250.78 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3, due to their considerably larger site and older dwelling when compared to the subject. In addition, the appellant's comparable #3 has finished basement area when compared to the subject. The Board also gives less weight to the board of review's comparables #2 through #5, due to their location over a mile from the subject or their swimming pool feature when compared to the subject. In addition, the board of review's comparables #2 and #3 have considerably newer dwellings and comparable #4 has a significantly larger site when compared to the subject. The Board finds the parties'

remaining comparables are similar to the subject in location, site size, dwelling style, age, size and features. The best comparables sold in August 2020 and September 2021 for prices of \$775,000 and \$860,000 or \$191.36 and \$220.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$819,501 or \$209.32 per square foot of living area, including land, which falls between the market values of the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
