

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Rosenberg
DOCKET NO.: 21-04543.001-R-1
PARCEL NO.: 16-25-306-005

The parties of record before the Property Tax Appeal Board are Dan Rosenberg, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$122,886
IMPR.: \$323,349
TOTAL: \$446,235

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with wood siding and stone exterior construction containing 5,102 square feet of living area. The dwelling was constructed in 2014. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 716 square foot garage. The property has an approximately 17,320 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within 1.82 miles from the subject. The comparables have sites ranging in size from 13,316 to 17,777 square feet of land area that are improved with 2-story dwellings ranging in size from 4,106 to 4,524 square feet of living area. The dwellings were built from 1999 to 2005, with the home built in 1999 having a 2000 effective age. The comparables have unfinished basements, central air

conditioning, a fireplace and a garage ranging in size from 440 to 728 square feet of building area. The comparables sold from May 2020 to May 2021 for prices ranging from \$650,000 to \$1,162,500 or from \$158.30 to \$256.96 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$446,235. The subject's assessment reflects a market value of \$1,342,060 or \$263.05 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within 1.44 miles from the subject. The comparables have sites ranging in size from 14,360 to 18,340 square feet of land area that are improved with 2-story dwellings with stucco, brick, stone or stone and stucco exterior construction ranging in size from 4,160 to 5,146 square feet of living area. The dwellings were built from 2006 to 2015, with a home built in 2006 having a 2008 effective age. The comparables have basements, each of which have finished area, central air conditioning, from one to four fireplaces, and an attached garage ranging in size from 506 to 805 square feet of building area. The comparables sold from June 2020 to July 2021 for prices ranging from \$1,250,000 to \$2,500,000 or from \$297.05 to \$485.81 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, as well as the board of review's comparables #3, #4 and #5, due to their locations over a mile from the subject. In addition, the appellant's comparables lack finished basement area when compared to the subject. The Board finds the board of review's remaining comparables are similar to the subject in location, site size, dwelling style, size and most features. However, each of the best comparables has an older dwelling when compared to the subject. Nevertheless, the best comparables sold in October 2020 and July 2021 for prices of \$2,500,000 and \$1,700,000 or \$485.81 and \$348.29 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$1,342,060 or \$263.05 per square foot of living area, including land, which falls below the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
