

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Claire Storti  
DOCKET NO.: 21-04558.001-R-1  
PARCEL NO.: 16-28-113-002

The parties of record before the Property Tax Appeal Board are Claire Storti, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$43,686  
**IMPR.:** \$97,445  
**TOTAL:** \$141,131

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of brick exterior construction with 1,175 square feet of living area. The dwelling was constructed in 1957. Features of the home include central air conditioning and an attached 462 square foot garage. The property has an approximately 8,520 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located within .40 of a mile from the subject. Three comparables have sites ranging in size from 8,102 to 8,503 square feet of land area. The comparables are improved with what are described as 1-story dwellings ranging in size from 1,163 to 1,389 square feet of living area. The dwellings were built in 1958 or 1959. The comparables have central air conditioning and a garage ranging in size from 276 to

720 square feet of building area. One comparable has a fireplace. The comparables sold from March 2020 to May 2021 for prices ranging from \$371,000 to \$455,000 or from \$280.06 to \$389.22 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,131. The subject's assessment reflects a market value of \$424,454 or \$361.24 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located within .38 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #4. However, the board of review reports a different sale date and price. The comparables have sites ranging in size from 8,500 to 13,070 square feet of land area that are improved with what are described as 1-story dwellings of brick and wood siding exterior construction containing 1,169 or 1,350 square feet of living area. The dwellings were built in 1958 or 1959. The comparables have central air conditioning, and an attached or detached garage ranging in size from 294 to 497 square feet of building area. One comparable has a fireplace. The comparables sold from October 2020 to December 2021 for prices ranging from \$435,000 to \$569,900 or from \$372.11 to \$422.15 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable properties for the Board's consideration, one of which was submitted by both parties, but the parties report differing sale dates and prices. The Board gives less weight to the appellant's comparable #1, due to the appellant's failure to disclose its site size, which is necessary to determine its comparability to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable but has a different sale date and price, have varying degrees of similarity to the subject. The best comparables sold from March 2020 to December 2021 for prices ranging from \$371,000 to \$569,900 or from \$316.28 to \$422.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$424,454 or \$361.24 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
