

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Megan Thomas
DOCKET NO.: 21-04561.001-R-1
PARCEL NO.: 06-26-407-049

The parties of record before the Property Tax Appeal Board are Megan Thomas, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,612
IMPR.: \$83,958
TOTAL: \$98,570

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,286 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 440 square foot garage. The property has an approximately 10,150 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located within .19 of a mile from the subject. The comparables have sites ranging in size from 8,625 to 11,195 square feet of land area that are improved with 2-story dwellings ranging in size from 2,114 to 2,719 square feet of living area. The dwellings were built from 1991 to 1993. The comparables have unfinished basements, central air conditioning, a fireplace and a 441 or 462 square foot garage.

The comparables sold from March 2020 to April 2021 for prices ranging from \$283,000 to \$330,000 or from \$118.66 to \$133.87 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,570. The subject's assessment reflects a market value of \$296,451 or \$129.68 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within .19 of a mile from the subject. The board of review's comparable #3 is the same property as the appellant's comparable #5. The comparables have sites ranging in size from 8,620 to 16,000 square feet of land area that are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,114 to 2,540 square feet of living area. The dwellings were built from 1991 to 1993. The comparables have basements, one of which has finished area, central air conditioning, a fireplace and an attached garage ranging in size from 462 to 584 square feet of building area. The comparables sold from March 2020 to September 2021 for prices ranging from \$283,000 to \$338,000 or from \$121.92 to \$159.89 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #3, due to its considerably larger dwelling size when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. However, six of the parties' best comparables lack finished basement area when compared to the subject. Nevertheless, the best comparables sold from March 2020 to September 2021 for prices ranging from \$283,000 to \$338,000 or from \$118.66 to \$159.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$296,451 or \$129.68 per square foot of living area, including land, which falls within the range established by the best comparables in the record. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their lack of finished basement area, the Board finds the subject's estimated market value as reflected by its assessment is well supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
