

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeff Molitor
DOCKET NO.: 21-04562.001-R-1
PARCEL NO.: 06-27-105-047

The parties of record before the Property Tax Appeal Board are Jeff Molitor, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,222
IMPR.: \$63,543
TOTAL: \$74,765

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of vinyl siding exterior construction with 1,244 square feet of living area. The dwelling was constructed in 1996. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 400 square foot garage. The property has an approximately 8,760 square foot site and is located in Hainesville, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .61 of a mile from the subject. The comparables have sites ranging in size from 7,200 to 7,802 square feet of land area that are improved with what are described as 1-story dwellings containing 1,244 square feet of living area. The dwellings were built in 1994. The comparables have unfinished basements, central air conditioning and a 400 square foot garage. One comparable has a

fireplace. The comparables sold from February 2019 to December 2020 for prices ranging from \$195,000 to \$245,000 or from \$156.75 to \$196.95 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,765. The subject's assessment reflects a market value of \$224,857 or \$180.75 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within .66 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #3. The comparables have sites with 7,200 or 10,750 square feet of land area that are improved with tri-level dwellings of vinyl siding exterior construction containing 1,221 or 1,244 square feet of living area. The dwellings were built from 1993 to 1995. The comparables have basements, one of which has finished area, central air conditioning and an attached 400 square foot garage. Two comparables each have a fireplace. The comparables sold from December 2020 to June 2021 for prices ranging from \$245,000 to \$280,000 or from \$196.95 to \$229.32 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable properties for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparable #1, due to its sale date occurring greater than 22 months prior to the January 1, 2021 assessment date at issue. The Board also gives less weight to the board of review's comparable #2, due to its finished basement when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of similarity to the subject. The best comparables sold from July 2020 to October 2021 for prices ranging from \$214,000 to \$280,000 or from \$172.03 to \$229.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$224,861 or \$180.76 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
